In the event any person, firm or corporation exchanges any licensed and insured vehicle for an unlicensed and uninsured vehicle during any licensing period, such person, firm or corporation shall furnish proof of transfer of insurance in the same manner as set forth for proving insurance coverage above.

SECTION 4. The licensing period for the operation of a taxi-cab is hereby declared to be the twelve month period beginning each July 1st and ending each June 30th next thereafter. No license to operate a taxicab shall, under any circumstances, be issued for longer than the above mentioned period. Any person, firm or corporation applying for a license to operate a taxicab during any licensing period shall be required to pay, in advance, the same license fee which is paid for the entire licensing period. period, a written and duly notorized application therefor, upon such form or forms as may now or hereafter be prescribed by said City, containing the following information:

(b) Complete description of vehicle for which a license is desired: (Make, model, Style, motor or identification number and color, etc.)

(c) Name and address of insurance carrier and limits of coverage. (Proof of insurance must be attached to said application.)

SECTION 6. Each application shall be numbered by the City Clerk as they are filed, such numbering to begin with the number One (1). A separate application shall be filed for each vehicle desired to be licensed and said application must be made by the actual owner of the said vehicle. The City Clerk, at the first meeting of the City Council, held after the filing of said applications, will present same to the Council for its approval, and, upon approval, said City Clerk will issue to the applicant a license, in the form as is now or may hereafter be prescribed for the operation of said taxicab. The license so issued will bear a license number which is to correspond with the number placed on the application at the time it was received. This license number must, before applicant shall be permitted to begin operation of said taxicab, be legibly painted, in easily visible colors, on the outside of each front door and on the rear of said taxicab in numbers 10 inches in height and 3 inches in width. same manner as for the original license, and, upon approval of such application, by the City Council, a new license shall be issued to said applicant; provided, however, that there is hereby imposed a fee in the amount of $10,00 for such license, said fee to be paid at the time of such application. The new owner of said taxicab may then apply for a new license, in his name, in accordance with and subject to the regulations heretofore imposed. The City of Conway, in no way, guarantees that such new owner will be issued a license because of the fact that the taxicab, at the time of the sale, was licensed.

In the event such application is denied by the Council, the Clerk will immediately refund to such applicant the $5.00 license fee. No person under the age of twenty-one years shall be licensed to drive a taxicab in the City of Conway, Arkansas. Any license to drive a taxicab issued by said City may, for good and reasonable cause, be revoked at any time by the City and, in the event of such revocation, the licensee may not recover the license fee for the remaining portion of the licensing period.
