Such procedures shall include the employee being given written notice of the charges or allegations, notice of both the names of those who have made allegations against him, the specific nature and factual basis for the charges or allegations, and an opportunity to respond. The primary function of these procedures is for the determination of whether the charges or allegations against the employee are true and support the proposed action.

3. Within ten (10) working days after receipt of the notice, he may request, in writing, an appeal to the Mayor.

6. A hearing before the Appeals Board shall be held not more than thirty (30) days from the date the written appeal is received. The Appeals Board shall consist of five (5) members of the City Council who shall be selected by the City Clerk drawing names out of a container in the presence of the employee and one (1) member of the City Council. At the hearing, the Appeals Board may review relevant documents provided by either the employee or the Department. The Appeals Board may hear from witnesses in support of the adverse decision against the employee, and the employee shall have a reasonable opportunity to present testimony in his defense of the reasons for the prior adverse decision. Hearings before the Appeals Board do not include any right to cross-examine or confront witnesses, although an employee may have counsel present to otherwise assist him. All proceedings before the Appeals Board shall be recorded by the City Clerk. The Appeals Board shall render its decision in writing no later than ten (10) working days from the date of the hearing.
