

RESOLUTION R-03- 18

**A RESOLUTION AMENDING THE CONWAY MASTER STREET PLAN TO MOVE A FUTURE MINOR ARTERIAL ROAD AND TO EXTEND A FUTURE COLLECTOR STREET:**

**Whereas**, the Conway Master Street Plan has already been amended to change the alignment of a generally north-south major arterial street so that it intersects Dave Ward Drive from the north at Trey Lane, and;

**Whereas**, it is preferable for the extension to the south of this major arterial street to continue along the current configuration of Trey Lane, and;

**Whereas**, the prior movement of the major arterial street north of Dave Ward Drive resulted in a future collector street terminating into a local street, without continuation to an arterial street, and;

**Whereas**, it is preferable for this future collector street to continue southwest to terminate at Dave Ward Drive.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CONWAY, ARKANSAS:**

**Section 1:** That the Conway Master Street Plan as adopted by Resolution R-96-9, on June 11, 1996 is hereby amended as follows:

1. Trey Lane is extended to the south of Dave Ward Drive as a major arterial street until it intersects the current alignment of a future major arterial street and the part of that future major arterial currently shown to the northwest of the new intersection is removed from the Master Street Plan.
2. The section of Lee Andrew Lane from its intersection with the extension of Padgett Road to Dave Ward Drive is designated as a collector street.

PASSED this 13th day of May, 2003.
