SUBJECT: Aircraft Tug

Bids were open on August 12th, 2014 @ 10:00am at City Hall for a new Aircraft Tug for Cantrell Field. Four bids were submitted:

- Priceless Aviation Products    $30,060
- Carolina GSE, Inc.      $34,035
- Lektro, Inc.       $34,511
- Bauer Aviation      $36,164

I recommend accepting the bid from Priceless Aviation Products for $30,060.00. Prices include all applicable taxes and shipping. While the bid called for an electric unit, the Priceless tug is a gasoline powered model. I am willing to accept it because I was not aware that anyone manufactured a gasoline powered towbarless tug. I have personally test driven the recommended unit, and feel certain it will meet all of our needs at the airport; and the unit is made in the U.S.A. The unit will be paid for out of Cantrell Field Sale Funds.

Please advise if you have any questions or need additional information.

Thank you for your consideration.
