Honorable Mayor Tab Townsell & City Council
City of Conway
1201 Oak Street
Conway, AR 72032

Dear Mayor & City Council Members:

The term of Ruth Glover as a commissioner on the Board of the Housing Authority of the City of Conway, expired on January 15, 2008.

At the Annual Meeting held January 28, 2008, the Board voted to recommend that Ruth Glover be re-appointed for another five year term beginning January 15, 2008. The Board requests the approval of the City of Council as to this appointment.

Sincerely,

Mary Boyd
Executive Director

Dear Ladies and Gentlemen:

The Board of Directors of the Conway Corporation, in conformance with Resolution 88-11, published a legal notice in the Log Cabin Democrat on January 24, 2008, advertising for nominees to the Conway Corporation Board of Directors. (A copy of that legal notice is enclosed.)

As of March 8, 2008, the expiration of the nominating period, ten nominations had been received.

The Conway Corporation Board of Directors met on March 18, 2008, and Mr. William C. (Bill) Adkisson was elected to succeed Mr. Tom Courtway, whose term expires May 8, 2008.

As mandated by the Articles of Incorporation of the Conway Corporation, it is my pleasure to submit to the Conway City Council for its ratification and approval the election of Mr. William C. Adkisson.

We respectfully request your favorable consideration.

Sincerely,

AN ORDINANCE APPROPRIATING FUNDS FOR SENIOR CITIZENS PROGRAM; AND FOR OTHER PURPOSES.

WHEREAS, there is a need to support the Senior Citizen Transportation Program with funding to the Faulkner County Senior Citizens Program.

WHEREAS, the Faulkner County Senior Citizens Program is requesting a total $41,538 for these transportation needs for the calendar year 2008.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CONWAY, ARKANSAS THAT:

SECTION 1. The City of Conway shall appropriate $41,538 from General Fund – Fund Balance Appropriation Account (01.990) to the Account (01.106.863) for the Senior Citizen Transportation Program.

SECTION 2. All ordinances in conflict herewith are repealed to the extent of the conflict.

Mayor Tab Townsell  
Conway City Council  
City of Conway  
1201 Oak St.  
Conway, AR. 72032

Dear Mayor Townsell and Members of the City Council:

We are extremely appreciative of the funding that the City of Conway provided toward our transportation program in 2007, as are all of the senior citizens that we served. We are currently averaging annual transportation as follows:

<table>
<thead>
<tr>
<th>Type</th>
<th>Number</th>
</tr>
</thead>
<tbody>
<tr>
<td>Medical Appointments</td>
<td>1,824</td>
</tr>
<tr>
<td>Personal Appointments (human service agencies, grocery stores, etc.)</td>
<td>1,788</td>
</tr>
<tr>
<td>Return Trips Home</td>
<td>3,612</td>
</tr>
<tr>
<td></td>
<td>7,224</td>
</tr>
</tbody>
</table>

In providing these figures we have isolated only the transportation for which we use city funding. These figures do NOT include transportation to and from our Conway Senior Center or transportation in any of the other 5 communities we serve. At an average cost of $5.75 we need aggregate funding of $41,538 in 2008. We have asked for $24,000 CDBG funding. We would ask that the City of Conway fund the difference between $41,538 and the amount of CDBG funding for which we are approved (last year it was $10,000).

As you are aware, we utilize our other transportation funding sources (federal, state, United Way, private grants, donations, and fundraising) to transport our participants to and from centers, and to provide transportation in rural areas. We use city funding specifically to support the transportation we provide elderly citizens on an individual basis within the City of Conway to medical and dental appointments, physical rehabilitation, dialysis, human service agencies, grocery stores, etc. which is by far the most costly yet critical service we provide. Approximately 12% of this transportation involves senior citizens in wheel chairs and who require a vehicle with a wheel chair lift. The service we provide, and that you fund, is what separates Conway from so many other communities, large and small, with regard to being a community that truly cares about, and cares for, its dependent citizens. It takes so little and means so much, and the leaders of this community are to be truly commended for their commitment to those who depend upon them.

Thank you for your consideration and continued support.

Sincerely,

RE: Transportation Funding

Dear Mayor Townsell:

In a recent survey conducted by United Way, the citizens of Conway identified the lack of public transportation as their principal concern. For several years, Faulkner County Council on Developmental Disabilities (FCC/DD) has helped meet the transportation needs of the citizens of Conway and the surrounding area. Unfortunately, the increasing costs of providing this service coupled with a decrease in funding is jeopardizing our agency’s ability to provide this vital service. More specifically, since 2002 the cost of gas has increased by more than 138% ($1.30 to $3.10 per gallon) while our Community Development Block Grant (CDBG) has decreased by almost 30% ($28,500 to $20,000). Due to the increase in gas prices along with the increasing cost of maintenance, our agency is projecting funding shortfall of approximately $35,000. To help offset a potion of this shortfall, FCC/DD is requesting financial support in the amount of $30,000 to enable us to continue our transportation services.

I am enclosing some information regarding our agency. If further information is needed, please contact me at 1301 North Museum Road or call (501) 327-3037. On behalf of our Board of Directors, I would like to thank you and the City Council for your financial assistance and cooperation in the previous years.

Sincerely Yours,

Robert D. Wright

The Faulkner County Council on Developmental Disabilities is a private not-profit agency existing since 1984 located in Conway, Arkansas. FCC/DD initiated a supported employment program in 1987 providing job development, job placement, on-the-job training and follow-along services to assist persons 18 years of age and older who, due to the severity of their disability, are not able to function independently on the job without supports. Arkansas Rehabilitation Services provides eligibility certification to FCC/DD to do job development, job readiness classes and job-coach training. Without long-term support services, retraining, intervention and counseling being provided, these individuals could not maintain continued employment. FCC/DD also provides transportation services. The FCC/DD supported employment project goal is to expand employment, social and economic opportunities for people with disabilities, therefore, enhancing their overall social and economic standing in the community.

Re: Overhead Tube System

Please find attached a proposal from Diebold, Inc. to install an overhead tube system for the Conway Sanitation Department scalehouse. We have been undergoing repairs and upgrades to the scalehouse and would like to continue by placing a tube system for the employees in the booth as well as for the convenience of our customers.

This system is used by the banks and Diebold, Inc. is a sole source vendor for this product. Nabholz construction is the vendor Diebold, Inc. uses for their site work.

The employees at this time have to deal with dirt, flies and the awning being torn by customers pulling too close to the building. We have purchased new touch screen computers and would like to try to eliminate as much dust and dirt as possible. At this time, the employees use litter pickers to reach the customer.

I am requesting Diebold be used as a sole source vendor to install the tubes for the scalehouse. An ordinance is attached for Council consideration.

If additional information is needed, please let me know.

Sincerely,

Cheryl Harrington

Insurance: Nabholz Client Service shall maintain insurance for Workers Compensation, Builders Risk, Employer's Liability, Comprehensive Automobile Liability, Comprehensive or Commercial General Liability on an occurrence basis.

Disputes: if a dispute arises out of or relates to this Agreement, or the breach thereof, the parties shall attempt to settle the dispute first through direct discussions, then by mediations before recourse to arbitration (unless parties mutually agree otherwise, mediation shall be conducted in accordance with the Construction Mediation Rules of the American Arbitration Association). Disputes shall be decided by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association then in effect. The location of the arbitration shall be the location of the Project or Nabholz Client Service at Nabholz Client Service's discretion.

Termination: Owner and Nabholz Client Service may terminate this Agreement only in the event of a material breach and only after providing written notice by letter delivered to the address stated herein and only after more than ten days has elapsed after such written notice without attempts to cure the default.

Exclusion of Warranties: Nabholz Client Service makes no warranties, either express or implied. The implied warranties of MERCHANTABILITY and FITNESS FOR A PARTICULAR PURPOSE are hereby disclaimed.

Miscellaneous: this Agreement is severable, and any part deemed unenforceable shall not render the remaining part unenforceable. All covenants of the Agreement shall be subject to all federal and state laws, executive orders, rules, or regulations, and this Agreement shall not be terminated, in whole or in part, nor the parties held liable in damages, for failure to comply therewith, if compliance is prevented by, or if such failure is the result of any such law, order, rule, or regulation or acts of God. All implied covenants are waived. This Agreement is intended to be the final expression of the parties, and there are no other written or oral agreements relating to the subject thereof. This Agreement may only be amended by a further written agreement signed by both parties. This Proposal/Agreement, when signed by both parties, constitutes the entire agreement and contract between the parties for the performance of the Work described in this Proposal. Faxes of signed Proposal/Agreement are acceptable.

AN ORDINANCE AMENDING THE FEE STRUCTURE FOR SPECIFIC WASTE ITEMS ACCEPTED BY THE SANITATION DEPARTMENT; REQUIRING THAT LOOSE WASTE IS PROPERTY CONTAINED FOR COLLECTION AND FOR OTHER PURPOSES:

WHEREAS, the City Council wishes to encourage citizens of Conway to recycle waste material and reduce the quantity of trash which is deposited into the City landfill in order to maximize the revenue generated through the sale of recyclables and to prolong the life of the landfill; and

WHEREAS, the City Council wishes to encourage and reward sound waste management practices in the disposal of electronic waste and white goods by reducing the fee structure for such items; and

WHEREAS, loose trash items can create a littering problem by blowing out of the receptacle when it is emptied into the Sanitation truck if it is not properly contained;

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CONWAY, ARKANSAS THAT:

SECTION 1. The City of Conway shall implement changes to the fee structure charged to customers obtaining an additional waste cart (green cart) and changes to the fee structure charged to customers for disposal of white goods and electronic waste as per the attached schedule of fees.

SECTION 2. The City of Conway shall require all loose waste material to be property bagged or boxed in such a fashion to facilitate the collection of materials without items being disbursed by blowing wind. This requirement applies to all trash items collected in both the green and blue waste receptacles. Violation of such requirement will result in one warning notice given by Sanitation personnel. After one notice is given to a resident, subsequent violations will be referred to the City of Conway Code Enforcement personnel and the resident will be subject to being fined for littering.

SECTION 3. The effective date for the above items shall be the effective date of this ordinance.

SECTION 4. All ordinances in conflict herewith are repealed to the extent of the conflict.

PASSED this 25th day of March, 2008.

These charges are subject to change by action of the City Council of the City of Conway.
AGREEMENT
between
University of Central Arkansas
and
City of Conway, Arkansas
for
Rental use of the Jefferson D. Farris Jr. Softball Fields
for
2008

Period of Use:

1. The Jefferson D. Farris Jr. Softball Fields number 1, 2, and 3 (hereafter "fields") may be used by the City of Conway, Arkansas (hereafter "City") beginning April 28 through July 11, 2008.

2. On or about March 15 each year the City will inform the University of Central Arkansas (hereafter "University") through the Intramural Sports and Recreation Department in writing regarding their intended period of usage of the fields for that year.

3. The fields will be available for the City Monday through Friday. Weekend days (Saturday and Sunday) may be reserved through the University Calendar Office.

4. Either party may cancel this agreement upon written notice to the other party; provided however, the University must notify the City of its intent to cancel the agreement by November 1 of each year if the fields will not be available for the next year.

Terms of Agreement:

1. During the period of use the City will maintain the fields within a standard set by the University and the City. The City will:

   A. Mow the grass on and around the fields a minimum of once each week. The areas and height to be mowed will be determined by the University.

   B. Trim (weed eat) in and around the fields, including but not limited to the area around fences and sidewalks and in areas not reachable by mowers.

   C. Clean the area in and around the fields, including but not limited to parking lots, fields, areas surrounding the fields, bathrooms, concession area, bleachers, and dugouts.

   D. Water fields and areas around fields in accordance with University standards. Maintain and repair irrigation system on and around fields.

   E. Maintain dirt infields by 1) drag daily; 2) contain weed and grass growth; and 3) repair areas damaged by usage.

   F. Any chemicals or fertilizers added to the grass (in addition to normal standards) on or around the fields must be approved by the University prior to application.
AGREEMENT (page #2)

G. Any field conditioner added to the infield must be approved by the University prior to application.
H. Repair any and all damage to the fields or areas surrounding the fields.
I. Replace any field lights that go out during usage.
J. City will not allow ‘soft toss’ hitting into the chain link fence around the fields.

2. The City will supply all field marking equipment and supplies.
3. The City will contact and work with ARAMARK with regard to concessions during the period of usage.
   A. The University Police Department (UCAPD) will be notified of City usage of softball fields at least (2) weeks prior to usage.
   B. Should the service of UCAPD be required, necessary or otherwise requested, prior permission must be obtained during this period of time. A fee may be assessed for these services.

5. The City will uphold State regulations and University policy of facility usage by non-student groups.
6. The City will carry liability insurance naming the University in the policy rider as an additional insured and will provide the University with a copy of the certificate.
7. The University will provide:
   A. Bases and pitcher plates.
   B. Irrigation parts and supplies.
   C. Storage area for City supplies to maintain fields.
8. No rights or obligations under this agreement may be assigned or transferred without the written consent of all parties.

Rental Fee:

1. The City will not pay a rental fee to the University, but will:
   A. Maintain the fields and surrounding area as stipulated in “Terms of Agreement”.
   B. Provide for the cost of all water and electric charges from Conway Corporation during the period of use by the City.

Mr. David St. John
President, Youth Softball Association of Conway

Dear Mr. St. John:

The following is intended as an agreement between the University of Central Arkansas (UCA) and the Youth Softball Association of Conway (YSAC). This agreement stipulates that the Department of Intramural Sports and Recreation at UCA will maintain the Farris Field Softball Fields (fields #1, #2, #3, and surrounding grounds) during the period of use by YSAC. Period of use by YSAC is from April 28, 2006 through July 11, 2008. Maintenance of the Farris Fields by the Department of Intramural Sports and Recreation will be conducted to fulfill the agreement between the City of Conway and the University of Central Arkansas.

Staff Costs:
1. 1.5 staff @ $6.25 per hour
2. One (1) staff - $6.25 per hour X 8 hours per day $50.00
3. One half (½) staff - $6.25 per hour X 4 hours per day $25.00
4. Total staff cost per day $75.00

Other Cost:
1. In accordance with agreement between City of Conway and UCA the YSAC will bear the cost of:
   A. Field marking supplies
   B. Replacement of field lights
   C. Repair and/or replacement due to damage to fields or surrounding areas
   D. Garbage pick-up (dumpster) by City at $40.00 per week

UCA will submit to YSAC an invoice for each month use. Monthly costs may be effected by weather. YSAC will remit to UCA the total staff and other costs for maintenance of the Farris Fields within 10 days after YSAC period of usage.

AGREEMENT FOR PROFESSIONAL SERVICES
FOR
YBMA BASEBALL PARK
Conway, Arkansas

March 18, 2008

I. PROJECT DESCRIPTION

Carter & Burgess, Inc. ("C&B") will perform professional design services for the City of Conway ("the City") for park improvements at the YBMA Baseball Park (the “Park”). This work will be guided by the “YBMA Baseball Park Master Plan”, previously developed by C&B and dated June, 2007. C&B will prepare final construction documents for the park improvements for the purpose of bidding the work in accordance with City standards and budgets, as well as federal, state and local laws.

C&B’s scope of work includes professional landscape architectural, architectural and engineering design services. The program for the Park improvements will be based on the Master Plan Preliminary Budget Projections as identified by the City and C&B dated August 1, 2007. This scope of work and fee schedule is based upon an approved program and approximate construction budget of $10,183,000.75 as identified by the City on August 1, 2007.

II. SCOPE OF SERVICES

A. BASE MAP PREPARATION & FINAL PROGRAM DEVELOPMENT

1. C&B will utilize the existing survey information as currently being prepared by C&B, for the YBMA Baseball Park and the current site conditions. The City will also provide C&B any additional information required to perform this Scope of Services for on-site and off-site conditions including, but not limited to: above and below ground utilities; easements; property lines; subdivision layouts, roadways, vegetation, hydrology information, etc. Based upon the existing survey and additional information provided by the City, C&B will prepare an existing conditions base map(s) for use in Design Development and final Construction Documents. Should any additional site survey information be necessary, the City will be responsible for providing the information.

2. During the base map preparation, C&B will meet with the City staff to discuss the Park development program and specifically define the City’s needs. This meeting will also confirm the final budget allocation by the City for the construction of the Park improvements.
B. PRELIMINARY DESIGN CONCEPT

1. C&B will prepare a Preliminary Design Concept Plan for the proposed Park improvements. The Concept will be based upon the City approved program items, and the Phase I construction budget of $10,183,278.75. The Preliminary Design Concept Plan will also be based upon the “YBMA Baseball Park Master Plan” as previously prepared by C&B and approved by the City.

2. Based upon the Preliminary Design Concept Plan, C&B will prepare a Preliminary Cost Estimate for the proposed improvements.

3. C&B will attend one (1) meeting with the City to review the Preliminary Design Concept Plan and Cost Estimate to confirm the overall design and obtain City approval before proceeding into the Design Development phase of work. If the City increases the program and construction budget, C&B will review with the City the required additional fees necessary to cover the increase in scope of work. C&B will not proceed into the Design Development phase until the final program, cost estimates, and consultant design fees have been approved in writing by both C&B and the City.

C. DESIGN DEVELOPMENT

1. Based upon approval of the Preliminary Design Concept plan from the City, C&B will prepare Design Development drawings for the proposed Park improvements. The Design Development drawings will be prepared at an approximate 50% level of completion of Construction Documents.

2. The City will provide to C&B all front end documents, contracts, insurance requirements, general conditions, etc. for use by C&B in preparing the specifications and contract documents.

3. C&B will prepare a preliminary Table of Contents for the specifications and contract documents.

4. C&B will submit the Design Development drawings and Table of Contents for the specifications and contract documents to the City for review and approval.

5. The City will forward, in writing, to C&B all review comments for the Design Development drawings submittal. C&B will obtain these comments and approval from the City prior to proceeding into the final construction documents.

D. FINAL CONSTRUCTION DOCUMENTS

1. Based upon approval from the City for the Design Development drawings submittal, C&B will prepare final Construction Documents at an approximate 95% level of completion. The Construction Documents will be comprised of both the drawings and the specifications and contract documents.

2. Based upon the 95% Construction Documents, C&B will prepare a final cost estimate for all the proposed Park improvements.
3. C&B will submit the 95% Construction Documents and cost estimate to the City for final review and comments. The City will provide C&B final, written comments for all revisions requested to the Final Construction Documents.

4. Based upon the final written comments received from the City, C&B will prepare final 100% Construction Documents for the City to utilize in bidding the project.

E. BID PHASE

1. C&B will attend a pre-bid meeting with City representatives and the Construction Manager (“the CM”).

2. C&B will assist the City in preparing addendum(s), if required, during the bid phase.

3. C&B will assist the City in reviewing the CM’s bid and providing a recommendation to the City for award of contract.

F. STORM WATER POLLUTION PREVENTION PLAN (SWPPP)

1. In conjunction with the completion of the Final Construction Documents, C&B will prepare a Storm Water Pollution Prevention Plan (SWPPP) for the proposed site. Any other environmental engineering services would be considered additional services.

G. CONSTRUCTION ADMINISTRATION

1. C&B will assist the City by attending a maximum of twelve (12) 2-hour progress meetings during construction to evaluate completion of work by the Contractor. Should the number of required meetings or amount of meeting time increase, such time can be provided by C&B as an additional service as requested and approved by the City in writing. The City will be responsible for the day-to-day administration of the construction contract.

2. C&B will prepare a written Field Report for each meeting attended during the construction of the project.

3. C&B will process submittal and shop drawing reviews as submitted by the CM during the construction process. Pay applications will also be reviewed each month by C&B and will then be forwarded to the City with the appropriate recommendation.

4. C&B will assist the City in attending one (1) final project walk-through with the CM and his subcontractors to review the completion of work. C&B will provide written comments to the City for the City to utilize in preparing a final “punch list” for work to be completed by the CM.

5. C&B will provide as-builts to the owner as prepared by the contractor. C&B will scan hard copies of the contractor’s as-built mark ups if electronic files are required by the city. C&B will not provide CAD drawings of the as-builts.
III. BASIS OF COMPENSATION

The cost for performing these services set forth herein are based upon an approximate construction budget of $10,183,278.75 and will be as follows:

A. Base Map Preparation & Final Program Development (Lump Sum) .................. $ 24,642
B. Preliminary Design Concept (Lump Sum) .................................................. $ 57,471
C. Design Development (Lump Sum) ............................................................. $290,159
D. Final Construction Documents (Lump Sum) .............................................. $387,370
E. Bid Phase (Lump Sum) ............................................................................... $ 7,547
F. Construction Administration (Lump Sum) .................................................. $ 30,778

**Total Basic Design Services** ................................................................. $797,967

G. Storm Water Pollution Prevention Plan (SWPPP) (Lump Sum) .............. $ 4,000
H. Reimbursable Expenses .......................................................................... $12,695

**Total Design and Reimbursable Fee** ....................................................... $814,662

Reimbursable Expenses: These expenses included, but may not be limited to such items as: will reproduction costs, computer plotting, printing, mileage, fax, xerox copies, photography, meals, travel, lodging, rental car, couriers, deliveries, etc.

IV. ADDITIONAL SERVICES

Additional Services, not included in this Scope of Services, will be negotiated with the City as necessary. Compensation will be based upon either a mutually agreed lump sum fee or on an hourly basis. See Attachment "A", Billing Rate Schedule, for hourly rates. Items which would be considered Additional Services could include: site surveying, geotechnical investigation, design of additional program items beyond what has been identified by the City for the Park improvements, alternate bid items, additional meetings with City Staff and/or presentation to other groups, additional site visits during construction activity, etc.

VI. ASSUMPTIONS

A. The City has designated a construction budget of approximately $10,183,278.75 for the Park. Should this construction budget increase or decrease, or the City should require alternate bid items be included in the construction document package, C&B and the City staff will re-evaluate this scope of work and determine the basis of compensation in accordance with revisions to the design services.
B. The City will provide as expeditiously as possible all base information, that it currently has in its possession, necessary to complete the Scope of Services described herein. This Scope of Services does not include any survey work. Should additional survey information be needed by C&B, the City will provide this information to C&B. ALL INFORMATION PROVIDED BY THE CITY IS ASSUMED TO BE ACCURATE AND COMPLETE, unless indicated otherwise by the City. Any information required to complete this Scope of Services that cannot be readily provided by the City will remain the responsibility of the City. All such information shall be provided to C&B and any costs associated with acquisition of information will be borne by the City.

C. This Scope of Services does not include any hydraulic or hydrology engineering design services for the existing creek or other water permitting related issues, such as the following: Federal Emergency Management Agency (FEMA) map revision preparation and processing; U.S. Army Corps of Engineers 404 permitting, ADEQ permits or applications. Any services such as these would be considered additional services.

D. Any services for environmental engineering such as an Environmental Assessment (E.A.) or Environmental Impact Statement (E.I.S.) are not included in this Scope of Services and would be considered additional services.

E. The City will pay for all required governmental processing fees and public notice advertising costs.

F. It is anticipated that the park design will be prepared as one bid package. If additional bid packages are required by City for phasing breakouts, C&B will re-evaluate the scope of services to address additional fees not covered in this scope of work.

VII. COST ESTIMATES

Any cost estimates provided by C&B will be on a basis of experience and judgement, but since it has no control over market conditions or bidding procedures, C&B cannot warrant that bids or ultimate construction costs will not vary from these cost estimates; however, C&B acknowledges that the City is relying on the cost estimates provided by C&B and expects minimal variation from the cost estimates provided.

Council Members
Conway, AR 72032

Dear Council Members:

The Code Enforcement Department would like to request for re-consideration of a bid on 1470 Wildflower Street. Poor boy’s Handyman Service was the lowest bidder for the cleanup on Wildflower but realized that he bided the wrong house so therefore he is asking that the city reject his bid and we would like to go with the next lowest bidder which was Paladino Construction Inc.

If you have any questions please advise.

Thank You
Barbara McElroy

Re:  1470 Wildflower Drive  
Conway, AR 72032  

To: Barbara McElroy and City of Conway,

This letter is concerning the recent bid award for 1470 Wildflower. I want to reject the bid due to the fact that I bid the wrong address. I want to apologize for any inconvenience this may have caused you.

Thank you,

Dave Richards
