SECTION 3. Urban Agriculture Regulations: Article 601 of the Conway Zoning Ordinance shall be amended as follows:

SECTION 601.28(a)—STANDARDS FOR LIVESTOCK
A. Livestock (small-scale)
   1) Livestock (small-scale) is the keeping of animals including, but not limited to, chickens, goats, bees, and rabbits. Animals including, but not limited to cows, horses, and ratites, are not included in livestock (limited).
   2) The livestock (limited) is a permitted use under Urban Agriculture, and only applies to parcels of land one (1) acre or less.
   3) No roosters are permitted. Hens must have adequate space to be maintained in a comfortable, healthy, and stress free manner.
   4) No billies are permitted. Goats must have adequate space to be maintained in a comfortable, healthy, and stress free manner.
   5) The keeping of all livestock (small-scale) shall be in compliance with Conway’s Animal Control Ordinance (6.08.04).
B. Livestock (large-scale)
   1) Livestock (large-scale) is the keeping of animals including, but not limited to, chickens, goats, bees, rabbits, cows, horses, and ratites.
   2) The livestock (large-scale) use applies to parcels of land greater than one (1) acre OR to parcels of land less than one (1) acre that do not meet livestock (small-scale) regulations.
   3) The keeping of all livestock (large-scale) shall be in compliance with Conway’s Animal Control Ordinance (6.08.04).

SECTION 601.28(b)—STANDARDS FOR MARKETS
A. Market (small-scale) is permitted in the R-1, R-2A, SR, MF-1, MF-2, MF-3, RMH HR, C-1, C-2, C-3, C-4, O-1, O-2, O-3, A-1, S-1, S-2, and TJ zoning districts by right. It is not permitted in R-1, IU-1 and I3 zoning districts.
B. Market (large-scale) is permitted in the C-1, C-2, C-3, C-4, O-1, O-2, O-3, A-1, S-1, S-2, and TJ zoning districts by right. It is permitted in R-1, R-2A, SR, MF-1, MF-2, MF-3, RMH HR, I-1, IU-1, and I-3 zoning districts by conditional use permit.
C. Markets shall not constitute home occupation and therefore not be regulated as such.
D. Produce is meant to only include fresh, whole, raw plants including, but not limited to, fruits, vegetables, herbs, and flowers.
E. The retail sale of fresh eggs, baked goods, and processed produce including, but not limited to, jams, jellies, and sauces, is permitted under the “urban food processing” use, but all state and federal health code regulations apply.
F. Markets in residential districts shall not create additional automobile or truck traffic in excess of the normal amount typical for the area.
G. Sale of locally produced crafts only allowed in large-scale market.

SECTION 601.28(c)—STANDARDS FOR URBAN FOOD PROCESSING
A. Urban food processing is permitted in all zoning districts by right
B. Retail sale of processed food will comply with above regulations
C. Urban food processing is not meant to include food processing establishment plants that manufacture, package, label and store food on an industrial scale.

SECTION 601.28(d)—STANDARDS FOR COMPOSTING
A. Composting is the biodegradation of compostable material (organic matter such as yard waste and food scraps) for the purpose of recycling waste and generating fertilizer.
B. Compostable material is not considered garbage and therefore not subject to regulations under Ordinance O-09-55*

SECTION 4: All other City of Conway ordinances in conflict herewith are repealed to the extent of the conflict.

SECTION 5: That this Ordinance is necessary for the protection of the public peace, health and safety, and this Ordinance shall be in full force and effect from and after its passage and approval.
PASSED this ____ day of ________, 2012.

Urban Agriculture Policy

Executive Summary

The policy clears up current ambiguous and inconsistent language and addresses the retail sale of locally produced agricultural goods.

The umbrella term “agriculture” is given a simpler definition. One of the goals of the policy is to allow more local commercial activity: the current specification of “commercial” is changed to “large-scale” and the specification of “limited” is changed to “small-scale.” This way, commercial activity is not presumably prohibited. The difference between the two specifications is based on the size of the parcel. Small-scale is agriculture on one acre or less, large-scale is more than one acre.

The terms “industrial food processing” and “urban food processing” are introduced and defined to distinguish between the small-scale food processing that the urban agriculture policy deals with and the conventional food processing that is typically found in industrial zoning districts. All other definitions in the policy are new.

There are important changes to note in the use chart that include small-scale agriculture, greenhouses, urban food processing, and composting.

Small-scale livestock is an activity included in the small-scale agriculture use. It includes but is not limited to chickens, goats, bees, and rabbits, but does not include cows, horses, ratites. No roosters or billy goats are permitted. Keeping of all livestock must be in compliance with Conway's Animal Control Ordinance. The retail sale of eggs, baked goods, and processed produce is permitted but all state and federal health code regulations apply. Urban food processing is not meant to include food processing plants that manufacture, package, label, and store food on an industrial scale. Compostable material is not considered garbage.

(4) CPIU Adjustments. The schedule of OM&R charges as described in Section 1 above shall be increased on February 1, beginning 2015 and each subsequent year by the amount of increase in the Consumer Price Index (CPIU) or three percent (3%) (whichever is less) for the preceding year. A copy of the revised rates shall be posted on the Conway Corporation web site. Minimum payments in Section 3 above will be adjusted on the web site each February 1 to reflect such new rates.

A public hearing regarding the proposed rates will be held before the Mayor and City Council of the City of Conway, Arkansas on Tuesday, March 27, 2012, at 6:30 p.m., at the District Court Building, 810 Parkway, Conway, Arkansas. All interested parties are invited to attend the public hearing to express their views concerning the proposed rates.

Tab Townsell, Mayor
City of Conway, Arkansas
Ordinance No. O-12-____

AN ORDINANCE FIXING RATES FOR SERVICES RENDERED BY THE SEWER SYSTEM OF THE CITY OF CONWAY, ARKANSAS; PRESCRIBING MATTERS RELATING THERETO.

WHEREAS, the City of Conway, Arkansas (the “City”) owns a sewer system (the “System”), which System is operated by Conway Corporation, an Arkansas nonprofit corporation (the “Corporation”), pursuant to an exclusive franchise granted by the City; and

WHEREAS, the City and the Corporation have determined that substantial improvements are required to portions of the System, including, but not limited to, construction of the Tupelo Bayou Wastewater Treatment Plant, new lift stations and improvements to the conveyance system (collectively, the “Improvements”), so that the inhabitants of the City may have adequate and proper sewer facilities, and that the financing of the Improvements will require rates for certain components of System services in excess of the rates presently in effect; and

WHEREAS, the City has previously established rates for System services pursuant to Ordinance No. O-92-15 adopted on April 28, 1992, as amended and supplemented by the provisions of Ordinance No. O-03-88 adopted on July 8, 2003, and Ordinance No. O-09-48 adopted on May 12, 2009 (the “Prior Rate Ordinance”);

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CONWAY, ARKANSAS:

Section 1. That all customers of the System shall be classified by the Corporation as residential, commercial or industrial/institutional.

Section 2. That Section 2(b) of the Prior Rate Ordinance is hereby amended to read as follows with respect to sewer service billed on and after June 1, 2012, and the rates contained below are declared by the City and the Corporation to be fair, reasonable and necessary:

“(b) OM&R Charge. (i) Residential Customers. NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a public hearing will be held before the Mayor and City Council of the City of Conway, Arkansas (the “City”) at the place and time set forth below on the question of the issuance by the City of up to $25,000,000 principal amount of its Wastewater Revenue Improvement Bonds, Series 2012A, and up to $70,000,000 principal amount of its Wastewater Revenue Improvement Bond, Subordinate Series 2012B (collectively, the “Bonds”), under the authority of Amendment 65 to the Arkansas Constitution and Arkansas Code Annotated §§14-164-401 et seq.

The proceeds of the Bonds will be used (i) to fund the acquisition, construction and equipping of a portion of the costs of the proposed wastewater treatment plant to be located in the Tupelo Bayou area in the western portion of the City, including related engineering and design expenses and costs of the lift stations and conveyance system required to deliver wastewater to the plant, (ii) to fund a debt service reserve for the Series 2012A Bonds, and (iii) to pay costs of issuance of the Bonds.

A public hearing will be held with respect to the issuance of the Bonds on Tuesday, March 27, 2012, at 6:30 p.m., at the District Court Building, 810 Parkway, Conway, Arkansas. Any persons interested may express their views, both orally and in writing, on the proposed issuance of the Bonds and on the nature of the improvements to be financed. At such hearing, all objections and suggestions will be heard and considered, and such action will be taken by the City Council as is deemed proper in response to said objections and suggestions.

This notice is published and the above described hearing is to be held in satisfaction of the requirements of Arkansas Code Annotated §19-9-607.

City of Conway, Arkansas
Ordinance No. O-12-_____

AN ORDINANCE AMENDING ORDINANCE NO. O-86-11, AS PREVIOUSLY AMENDED AND EXTENDING THE EMPLOYMENT OF THE CONWAY CORPORATION, TO OPERATE THE WATER SYSTEM AND THE SANITARY SEWER SYSTEM OF THE CITY OF CONWAY, ARKANSAS; AND FOR OTHER PURPOSES.

WHEREAS, the City of Conway, Arkansas (the ‘City’), a city of the first class, presently owns a water storage, treatment and distribution system (the “Water System”) and a sanitary sewer system (the “Sewer System”) serving the residents of the City, which Water System and Sewer System are presently operated and maintained by the Conway Corporation, a nonprofit corporation organized and existing under the laws of the State of Arkansas (the “Corporation”), pursuant to an exclusive franchise to operate the Water System and the Sewer System granted to the Corporation by the City pursuant to Ordinance No. O-86-11 adopted on January 28, 1986, as previously amended by Ordinance No. 0-01-112 adopted On November 27, 2001; and

WHEREAS, the city desires to extend the term of the franchise presently granted to the Corporation.

NOW, THEREFORE, BE IT ORDINED BY THE CITY COUNCIL OF THE CITY OF CONWAY, ARKANSAS THAT:

Section 1. The term of the franchise granted to the Corporation by Ordinance No. O-86-11, as amended, is hereby extended to December 31, 2037 and Section 4 of Ordinance No. O-86-11 is hereby deemed further amended to such effect.

Section 2. The extension of franchise granted by this Ordinance shall be accepted in writing by the Corporation within thirty (30) days from the date of adoption of this Ordinance, whereupon the franchise shall be deemed to be extended as provided in Section 1.

Section 3. The provisions of this Ordinance are hereby declared to be severable, and if any section, phrase or provision shall for any reason be declared to be illegal or invalid, such declaration shall not affect the validity of the remainder of the sections, phrases or provisions of this Ordinance.

Section 4. All ordinances, resolutions and parts thereof in conflict herewith are hereby repealed to the extent of such conflict.

A RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A MARKETING AGREEMENT AND AN INTEGRATION AGREEMENT WITH ENTERGY ARKANSAS, INC. AND THE CO-OWNERS OF WHITE BLUFF AND INDEPENDENCE STEAM ELECTRIC STATIONS

WHEREAS, Conway Corporation (the "Corporation") operates the electric system which serves the City of Conway (the "City") and its inhabitants; and

WHEREAS, the City owns a two-percent undivided interest in the White Bluff and Independence Steam Electric Stations (collectively, the "JOUs") with Entergy Arkansas, Inc. ("EAI") and others (the "Co-owners"); and

WHEREAS, the City, EAI and the Co-owners are parties to certain agreements related to the JOUs; and

WHEREAS, EAI is transferring control of its transmission assets to the Midwest Independent System Operator ("MISO"), a regional transmission organization (RTO), beginning on or near December 19, 2013; and

WHEREAS, the Corporation, EAI and Co-owners anticipate participation in the MISO Energy and Ancillary Services Market ("MISO Market") on and after that date; and

WHEREAS, the existing agreements for the JOUs do not contemplate operation in the MISO Market; and

WHEREAS, the Corporation, EAI and the Co-owners have negotiated a Marketing Agreement and an Integration Agreement (collectively, the "Agreements") which are designed to maximize the value of the JOUs to the Co-owners in an RTO environment,

NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CONWAY, ARKANSAS:

Section One. That the Mayor, for and on behalf of the City of Conway, Arkansas, is hereby authorized to effect the execution of the Marketing Agreement and the Integration Agreement and other papers or documents that may be required for the carrying out of such authority.

Section Two. That the provisions of the Resolution are hereby declared to be separable and if a section, phrase or provision shall be declared invalid; such declaration shall not affect the validity of the remainder of the Resolution.

and

ENTERGY POWER, LLC

and

EAST TEXAS ELECTRIC COOPERATIVE, INC.

Dated as of:
March ____, 2012
This MISO Integration Agreement ("MIA" or "Agreement") is made on this day, March ____, 2012, between and among Entergy Arkansas, Inc., a corporation organized and existing under the laws of the State of Arkansas ("EAI"), City Water and Light Plant of the City of Jonesboro, Arkansas, the City of Conway, Arkansas, the City of West Memphis, Arkansas, the City of Osceola, Arkansas, Entergy Mississippi, Inc., a corporation organized and existing under the laws of the State of Mississippi, Entergy Power, LLC, a corporation organized and existing under the laws of the State of Delaware and East Texas Electric Cooperative, Inc., a generation and transmission cooperative organized and existing under the laws of the State of Texas (collectively, the "Parties").

WHEREAS, the Parties to this Agreement are co-owners in White Bluff Steam Electric Station ("White Bluff") and/or Independence Steam Electric Station ("ISES") (collectively, "JOUs") pursuant to the White Bluff and ISES Ownership Agreements;

WHEREAS, the Parties to this Agreement are parties to the White Bluff and ISES Operating Agreements whereby EAI is given sole responsibility and authority for the management, control, operation and maintenance of the plants and is authorized to act as agent in all activities in connection with participants’ interest in the JOUs on behalf of the other owners;

WHEREAS, the Parties to this Agreement anticipate participation in the Midwest Independent Transmission System Operator, Inc. Energy and Ancillary Services Market ("MISO Market") beginning on or near December 19, 2013;

WHEREAS, several of the Parties to this Agreement are presently parties in separate Power Coordination and Interchange Agreements ("PCIAs");

WHEREAS, the Parties to this Agreement wish to coordinate their participation in the MISO Market with respect to the JOUs so as to maximize the value of the JOUs and to share in the value of these assets in proportion to their ownership share of the assets, with no preference to any one owner;

WHEREAS, certain parties to this Agreement are interveners in APSC Docket No. 10-011-U.

WHEREAS, the Parties to this Agreement mutually desire to resolve many of the Party’s concerns regarding integration into MISO;

Now, THEREFORE it is agreed as follows:

I. Support

Parties will either present testimony or file a letter on March 16, 2012, in APSC Docket No. 10-011-U substantially identical to the provisions included in Exhibit A hereto.

II. Revisions to the White Bluff Operating Agreement

a. The Parties agree to, and shall exert their best efforts to, amend the White Bluff Operating Agreement among EAI, Arkansas Electric Cooperative Corporation ("AECC") and the Parties, et al. originally dated as of June 27, 1977, as amended ("White Bluff Operating Agreement") so that the term of expiration is consistent with the term of expiration of the Independence Steam
Electric Station Operating Agreement among EAI, AECC and the Parties, et al., originally dated as of July 31, 1979, as amended and restated.

III. Marketing Agreement

a. The Parties agree to enter into a White Bluff and Independence Marketing Agreement (“MA”) pursuant to which co-owners of White Bluff and ISES may offer their shares of the capabilities of the White Bluff and ISES units and associated energy into markets administered by the MISO either jointly with EAI and other co-owners or separately. The MA is included as Exhibit B hereto.

b. EAI shall file the MA with FERC.

IV. EAI commitment to the continued operation of the coal units.

a. EAI will commit to the continued operation of the JOUs for the terms of the Independence and White Bluff Operating Agreements unless such continued operation would result in a violation of law that could not be avoided or remedied by reasonable means or the APSC finds that operation of the JOUs is not in the public interest.

V. Auction Revenue Rights Allocation

a. The parties commit to use best efforts to support receiving from MISO an appropriate allocation of Auction Revenue Rights from the JOUs in accordance with the MISO Tariff and then current business practices.

A RESOLUTION AUTHORIZING THE PREPARATION OF CERTAIN DOCUMENTATION FOR THE SUBSEQUENT APPROVAL OF THE CITY COUNCIL RELATED TO THE PROPOSED ISSUANCE BY THE CITY OF FRANCHISE FEE REVENUE REFUNDING BONDS, SERIES 2012, IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED $4,550,000 (THE “BONDS”) FOR THE PURPOSE OF REFUNDING THE CITY’S OUTSTANDING FRANCHISE FEE IMPROVEMENT REVENUE BONDS, SERIES 2006; AND PRESCRIBING OTHER MATTERS RELATING THERETO.

WHEREAS, the City is considering the refinancing of certain outstanding indebtedness of the City secured by City franchise fees in order to achieve interest cost savings; and

WHEREAS, it has been determined that the most advantageous method of refinancing such indebtedness is through the issuance by the City of an issue of tax-exempt bonds (the “Bonds”) pursuant to Arkansas law; and

WHEREAS, the City has determined to consider the issuance of the Bonds, subject to the final approval of terms of the Bonds by ordinance of the City Council, and to authorize the Underwriters and Bond Counsel, hereinafter designated in Sections 2 and 3, respectively, with the advice and assistance of the Mayor, to take certain actions in preparation for the issuance and sale of the Bonds;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CONWAY, ARKANSAS THAT:

Section 1. The Bond Counsel, as hereinafter defined, with the advice and assistance of the Mayor, is hereby authorized to prepare documents relating to the issuance and sale of the Bonds and the refunding of the outstanding franchise fee indebtedness described above, provided, however, the City Council shall first adopt an approving ordinance before any such documents are binding upon the City.

Section 2. The firm of Kutak Rock LLP is hereby designated as bond counsel (“Bond Counsel”) in connection with the issuance and sale of the Bonds.

Section 3. The firms of Stephens Inc. and Crews & Associates, Inc. (with Stephens Inc. being the managing underwriter) are hereby designated as underwriters (the “Underwriters”) for the purpose of marketing the Bonds and advising the City concerning the refunding of the prior indebtedness. The sale of the Bonds to the Underwriters will be accomplished pursuant to the terms of a bond purchase agreement to be presented for the approval of the City Council.
Section 4.  The provisions of this resolution are hereby declared to be separable and if a section, phrase or provision shall be declared to be invalid; such declaration shall not affect the validity of the remainder of the resolution.

Section 5.  All resolutions and parts thereof in conflict herewith are hereby repealed to the extent of such conflict.

RE: City of Conway, Arkansas December 1, 2006 Franchise Fee Revenue Improvement Bonds

Based on current market conditions, Conway can potentially achieve a substantial amount of savings by refunding the December 1, 2006 bond issue. In preparing this information, I have assumed current interest rates on the new issue.

A summary of this transaction and the attached schedules appear below.

**Series 2006 Franchise Fee Revenue Improvement Bonds.** These bonds are scheduled to mature on December 1, 2030. The annual debt service payment is approximately $343,000 and the remaining bonds carry an average coupon of 4.29%. The refunding of this issue produces an estimated net savings of approximately $384,072 and a net present value savings of $272,669. On Schedule 1 below, we have assumed the savings would be realized evenly over the bond’s remaining term. By doing so, the City would realize an annual savings of $20,214, based on current market rates. Expressed as a percentage of the refunding principal, the net present value benefit is shown as 6.197% on this schedule.

**Schedule 1:** This represents the current repayment schedule on the December 1, 2006 bond issue.

**Schedule 2:** This schedule reflects the refinancing savings being realized evenly over the term of the bond issue.

Issuers determine the feasibility of the refunding by examining several different factors. Often times, issuers consider net present value savings to see if the number is significant. Other issuers will look at the percentage of net present value benefit of the refunded principal. When this number exceeds 2.5%, most issuers will move forward with the refunding. As mentioned above, an estimate of the net present value benefit is 6.197% on this bond issue.

Please keep in mind that the actual amount of savings will depend on the interest rates received at the time bonds are sold. The final savings associated with this refunding could be more or less than the attached schedules indicate.

I hope this preliminary information is helpful. I will follow up with a call next week in order to answer your questions.

RE: Temporary Fencing, Legal Notice & Wall Bracing Plan & Structural Report
For property located at 912 Front Street. Amount Due: $8,250.42

Dear Mr. & Mrs. Dryer,

The City of Conway is requesting payment for all costs expended in correcting said condition. If after thirty (30) days from the receipt of this letter notifying you of the cost to correct said condition, such payment has not been remitted to the City, the City has the authority to file a lien against real estate property for the cost expended after City Council approval.

At its March 27th, 2012 Meeting, 6:30 p.m. located at 810 Parkway Street, the City Council will conduct a public hearing on three items:

1. Consideration of the cost of the bracing of your property.
2. Consideration of placing a lien on your real property for this amount.
3. Consideration of certifying this amount determined at the hearing, plus a ten percent (10%) penalty for collection and a filing fee, to the Tax Collector of Faulkner County to be placed on the tax books as delinquent taxes and collected accordingly.

None of these actions will be necessary if full payment is received before the meeting date. Please make check payable to the City of Conway and mail to 1201 Oak Street Conway Arkansas 72032 with the attention to Barbara McElroy. If you have any questions, please feel free to call me at 501-450-6191.

Sincerely,

Barbara McElroy
AN ORDINANCE AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT OF UNDERSTANDING WITH THE ARKANSAS STATE HIGHWAY AND TRANSPORTATION DEPARTMENT & APPROPRIATING GRANT FUNDS TO THE CONWAY DEPARTMENT OF PLANNING AND DEVELOPMENT; DECLARING AN EMERGENCY; AND FOR OTHER PURPOSES;

WHEREAS, the City of Conway Department of Planning and Development has been awarded a $139,590 Safe Routes to School Infrastructure Grant (Job 080456) from the Arkansas State Highway and Transportation Department; and,

WHEREAS, the grant proceeds will be utilized to pay for infrastructure costs associated with implementing the Conway Safe Routes to School Committee’s 2010 Master Plan, as detailed by City of Conway Resolution R-09-74; and,

WHEREAS, the City of Conway Department of Planning and Development has a budget for the grant’s expenses which has been approved by the Arkansas State Highway and Transportation Department, and will solicit bids from contractors in accordance with local, state, and federal requirements,

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CONWAY, ARKANSAS THAT:

SECTION 1. The City of Conway shall authorize the Mayor to execute an Agreement of Understanding and accept grant proceeds in the amount of $139,590 from the Arkansas State Highway and Transportation Department and appropriate such funds to account number 399.105.5990 in order to cover the expense of implementing the Safe Routes to School Committee’s 2010 Master Plan.

SECTION 2. All ordinances in conflict herewith are repealed to the extent of the conflict.

SECTION 3. This ordinance is necessary for the protection of the public peace, health, and safety and an emergency is hereby declared to exist, and this ordinance shall be in full force and effect from and after its passage and approval.

PASSED this 27th day of March, 2012.

AGREEMENT OF UNDERSTANDING
FOR AN INFRASTRUCTURE PROJECT
BETWEEN

CITY OF CONWAY

AND

THE ARKANSAS STATE HIGHWAY AND TRANSPORTATION DEPARTMENT

In Cooperation with the
U. S. Department of Transportation
Federal Highway Administration

RELATIVE TO

Implementation of Job 080456, Conway SRTS I (2011) (hereinafter called the "Project") as an Arkansas Safe Routes To School (SRTS) Program project.

WHEREAS, the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users provides 100% Federal-aid funds for certain approved Arkansas SRTS Program projects; and

WHEREAS, the City of Conway (hereinafter called "Sponsor") has expressed its desire to use Federal-aid funds for an eligible project; and

WHEREAS, the Sponsor knows of no legal impediments to the completion of the Project; and

WHEREAS, it is specifically agreed between the parties executing this agreement that it is not intended by any of the provisions of any part of the agreement to create the public or any member thereof a third party beneficiary hereunder or to authorize anyone not a party to this agreement to maintain a suit or action for injuries or damage of any nature pursuant to the terms or provisions of this agreement; and

WHEREAS, it is understood that the Sponsor and the Arkansas State Highway and Transportation Department (hereinafter called the "Department") will adhere to the General Requirements for Recipients and Sub-Recipients Concerning Disadvantaged Business Enterprises (DBEs) (Attachment A) and that, as part of these requirements, the Department may set goals for DBE participation in the project ranging from 0% to 100% that are practical and related to the potential availability of DBEs in desired areas of expertise.

IT IS HEREBY AGREED that the Sponsor and the Department, in cooperation with the Federal Highway Administration, will participate in a cooperative program for implementation of the project and will accept the responsibilities and assigned duties as described hereinafter.
THE SPONSOR WILL:

1. Before acquiring additional property for this project, submit a letter to the Department which either (1) stipulates the services relative to right-of-way acquisition, appraisal, relocation, and utilities that the Sponsor will assume or (2) requests that the Department handle some or all of these services. Acquisition of property must be accomplished in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (commonly referred to as the "Uniform Act"). **NOTE:** Failure to notify the Department prior to initiating this phase of work may result in all project expenditures being declared non-participating in federal funds.

2. If no acquisition is required, provide a copy of the registered deed or an appropriate certification stating the Sponsor’s clear and unencumbered title to any right-of-way to be used for the project as shown in Attachment B. If property has been acquired see Attachment B.

3. Be responsible for all engineering costs associated with any changes to the project if the Sponsor fails to acquire the right-of-way or secure easements required for the project under the original scope.

4. After the Department authorizes the Sponsor to advertise the project, advertise for bids in accordance with Federal procedures as shown in Attachment C.

5. After bids are opened and reviewed, submit a certification letter (Attachment D), including all items noted, to the Department and request concurrence in award of the contract. **Any costs incurred by the Sponsor prior to receiving the Department’s concurrence in award are not eligible for reimbursement.**

6. Submit change orders to the contract to the Department for review and approval prior to execution.

7. The purchase of essential replacement parts during construction is bound by the following conditions:
   
   1) The extra parts shall only be used in the locations approved under the original SRTS project.
   
   2) The cost of the extra parts should be kept to a minimum.

8. Make payments to the contractor for work accomplished in accordance with the plans and specifications and then request reimbursement from the Department.

9. Upon completion of the project, provide proof of expenditures to the Department for reimbursement.
10. Be responsible for the inspection, measurement, documentation, certification of all work in accordance with the plans and specifications for the Project and to retain and maintain for three years after completion all records relating to such inspections, certifications, any billing statements, and any other files necessary to document the performance and completion of the work. Such records shall be retained in accordance with the requirements of 49 CFR, Subtitle A, Part 18, Subpart C, Section 18.42 - Retention and access requirements for records. (See Attachment E). The Contractor and subcontractor(s) shall be monitored for compliance with the provisions of FHWA-1273, Required Contract Provisions, Federal-aid Construction Contracts, and Supplements.

11. Be responsible for satisfactory maintenance (including reasonable snow removal efforts from sidewalks and other pedestrian facilities) and for the repair or replacement of any damaged infrastructure. Also be responsible for the proper operation of all improvements and for adopting regulations, ordinances and procedures as necessary to ensure this. Failure to adequately maintain, replace and operate the project in accordance with Federal-aid requirements may result in the Sponsor's repayment of Federal funds and may result in withholding future Federal-aid.

12. Grant the right of access to Sponsor's records pertinent to this project and the right to audit by the Department and Federal Highway Administration officials.

13. Retain total, direct control over the project throughout the life of the improvements and not, without prior approval from the Department:

   - sell, transfer, or otherwise abandon any portion of the project;
   - change the intended use of the project as stated in the approved project application;
   - make significant alterations to any improvements constructed with Federal-aid funds; or
   - cease maintenance or operation of the project due to the project's obsolescence.

14. Promptly notify the Department if the project is rendered unfit for continued use by natural disaster or other cause.

15. Be responsible for 100% of all project costs incurred, including but not limited to design costs, should the project not be completed as specified.

16. Be responsible for 100% of any and all expenditures which are declared non-participating in federal funds, including awards by the State Claims Commission.
17. Repay to the Department all Federal funds if the Federal Highway Administration removes Federal participation due to actions of the Sponsor, its agents, its employees, or its assigns, or the Sponsor's consultants or their agents. Such actions shall include, but are not limited to, Federal non-participation arising from problems with design plans, construction, change orders, construction inspection, or contractor payment procedures. The Sponsor understands and agrees that the Department may cause necessary funds to be transferred by the Director of the Department of Finance and Administration from any of the Sponsor's funds should the Sponsor fail to pay the Department any required funds, fail to complete the project as specified, or fail to adequately maintain or operate the project.

18. Conduct surveys of affected students to determine modes of school transportation and potential barriers to walking and bicycling. The survey devices will include a one-week classroom oriented session run by school faculty and a take-home survey to be completed with a child's parent. Completed surveys will be turned in to the Department for tabulation. Both surveys will be provided by the Department. **Final project reimbursement could be withheld if surveys are not completed.**

19. Indemnify and hold harmless the Arkansas State Highway Commission, the Department, its officers and employees from any and all claims, lawsuits, judgments, damages, costs, expenses and losses, including those arising from claims before the Arkansas Claims Commission or lawsuits brought in any other legal forum, sustained on account of the operations or actions for the Sponsor, including any act of omission, neglect or misconduct of said Sponsor. Further, the Sponsor, shall take no action to compromise the immunity from civil suits afforded the State for Arkansas, the State Highway Commission, Arkansas Code §19-10-305, and the 11th Amendment of the Constitution of the United States. This obligation of indemnification shall survive the termination or expiration of this Agreement.

20. Assure that its policies and practices with regard to its employees, any part of whose compensation is reimbursed from federal funds, will be without regard to race, color, religion, sex, national origin, age, or disability in compliance with the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act of 1990, as amended, and Title 49 of the Code of Federal Regulations Part 21 (49 CFR 21), Nondiscrimination in Federally-Assisted Programs of the Department of Transportation.

21. Comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department. In the event the Department determines that a limited scope audit of the Sponsor is appropriate, the Sponsor agrees to comply with any additional instructions provided by the Department to the Sponsor regarding such audit.
THE DEPARTMENT WILL:

1. Be responsible for administering Federal-aid funds.

2. Provide environmental documentation for the project.

3. Provide plans and specifications and bidding documentation for the project.

4. Upon receipt of the Sponsor's certification of right-of-way (property) ownership, provide the appropriate documentation to the file.

5. Authorize the Sponsor to proceed with advertisement of the project for construction bids.

6. Review bid tabulations and concur in award of the construction contract for the project.

7. Review and approve any necessary change orders for project/program eligibility.

8. Visually verify (insofar as is reasonably possible) that the work meets contract requirements before reimbursement is made to the Sponsor.

9. Reimburse the Sponsor for all eligible construction costs.

10. Provide Sponsors with school transportation surveys to be conducted by the Sponsor and tabulate results of the surveys.

IT IS FURTHER AGREED that should the Sponsor fail to fulfill its responsibilities and assigned duties as related in this Agreement, such failure will disqualify the Sponsor from receiving future Federal-aid funds administered by the Department.

IT IS FURTHER AGREED that should the Sponsor fail to pay to the Department any required funds due for implementation of the project or fail to complete the project as specified in this Agreement or fail to adequately maintain or operate the project, the Sponsor hereby authorizes the Director of the Department of Finance and Administration to transfer from any of the Sponsor's State funds to the Department's RRA account such sums as the Director of Highways and Transportation shall certify as due the Department under terms of this Agreement.
NOTICE OF NONDISCRIMINATION

The Arkansas State Highway and Transportation Department (Department) complies with all civil rights provisions of federal statutes and related authorities that prohibit discrimination in programs and activities receiving federal financial assistance. Therefore, the Department does not discriminate on the basis of race, sex, color, age, national origin, religion or disability, in the admission, access to and treatment in the Department's programs and activities, as well as the Department's hiring or employment practices. Complaints of alleged discrimination and inquiries regarding the Department's nondiscrimination policies may be directed to Section Head - EEO/DBE (ADA/504/Title VI Coordinator), P. O. Re: Request for partial Street and Alley Right-of-Way closing.

Dear Lawrence:

Conway Corporation has no objections to the Partial Street and Alley Right-of-Way closing as long as the easements are extended across the areas that are being closed. All of our utilities will be in the easements if they are extended.

If you have questions, please let me know.

Yours truly,

RE: Partial street and alley closing

Dear Mr. Finn:

AT&T has no objection to the proposed closing of a portion of the right-of-way of Ellis Avenue and a portion of the alley connecting Sanders Street and Lot 105 in the Village at Hendrix development. Our engineer informs me that our conduit and cables are in a joint trench with the power company, and that this closing will in no way propose a conflict with our facilities.

Questions about these facilities can be directed to David Cain, Conway AT&T engineer, at 501-373-8171. Administrative questions should be directed to me.

Sincerely,

Lynda Palmer

MARCH 2012 PLANNING COMMISSION REPORT ADDENDUM

Traditional Neighborhood Development Ordinance Amendment

At the time of writing, the report did not include the complete TND Ordinance amendment request. The request has now been finalized and amended pages from the TND Ordinance are enclosed along with an amending ordinance. This ordinance is basically a minor change that will allow clusters of cottage homes to be developed in place of town homes. It also corrects several typo errors.

**Building Height**

1. Building height shall be measured in number of stories, excluding a raised basement, or inhabited attic.
2. Each story shall not exceed 14 ft. clear, floor to ceiling.
3. Maximum height shall be measured to the eave or roof deck.

**Building Disposition**

1. The facades and elevations of principal buildings shall be distanced from the lot lines as shown.
2. Buildings shall have facades along principal frontage lines and elevations along lot lines. (see Table 11E).

**Outbuilding Placement**

1. The Outbuilding Setbacks shall be distanced from the lot lines as shown.
2. The Outbuilding Front Setback shall be the sum of the distance between the Principal Building and the lot line plus an additional 20 feet.

**Additional Frontage Type & Supporting Language**

**Parking Provisions**

1. Uncovered parking spaces may be provided within the 3rd Layer as shown in the diagram (see Table 11D).
2. Covered parking shall be provided within the 3rd Layer as shown in the diagram (see Table 11D).
3. Trash containers shall be stored within the 3rd Layer.
TABLE 5: Private Frontages. The Private Frontage is the area between the building and the lot lines.

a. Common Yard: a frontage wherein the facade is set back substantially from the frontage line. The front yard created remains unfenced and is visually continuous with adjacent yards, supporting a common landscape. The deep setback may provide a buffer from the higher speed thoroughfares.

b. Porch & Yard: a frontage wherein the facade is set back from the frontage line. An attached porch may encroach upon the setback. A fence should be constructed between the sides of adjacent buildings. The porches should be no less than 8 feet deep.

c. Terrace or Light Court: a frontage wherein the facade is set back from the frontage line by an elevated terrace or a sunken light court. This type buffers residential use from urban sidewalks and removes the private yard from public access. The terrace is suitable for conversion to outdoor cafes.

d. Forecourt: a frontage wherein a portion of the facade is close to the frontage line and the central portion is set back. The forecourt created can be suitable for vehicular drop-offs. This type should be allocated in conjunction with other frontage types. Large trees within the forecourts may overhang the sidewalks.

e. Stoop: a frontage wherein the facade is aligned close to the frontage line with the first story elevated from the sidewalk sufficiently to secure privacy for the windows. The entrance is usually an exterior stair and landing. This type is recommended for ground-floor residential use.

f. Shopfront and Awning: a frontage wherein the facade is aligned close to the frontage line with the building entrance at sidewalk grade. This type is conventional for retail use. It includes shopfront windows at the sidewalk level and awnings that may overhang the sidewalk area.

g. Gallery: a frontage wherein the facade is aligned close to the frontage line with an attached cantilevered shed or a lightweight colonnade overhanging the sidewalk. This type is conventional for retail use. The gallery should be no less than 10 feet wide and may overlap the whole width of the sidewalk to within 2 feet of the curb.

h. Arcade: a frontage wherein the facade is a colonnade that overlaps the sidewalk, while the facade at sidewalk level remains at the frontage line. This type is conventional for retail use. The arcade should be no less than 12 feet wide and may overlap the whole width of the sidewalk to within 2 feet of the curb.

i. Flag Lot: a frontage wherein one building is located to the rear of another which fronts directly on a thoroughfare. The lot is shaped like a flag, where a portion of the lot, between 3 and 15 ft. wide, fronts onto a thoroughfare, providing for pedestrian access and/or utility connections. A flag lot may be located behind one layer of lots fronting a thoroughfare. The Principal Frontage of a flag lot is assigned as the rear lot line of the lot between the flag and the thoroughfare. All lot coverage and setback requirements remain.

I am requesting approval of the above amounts to offer these property owners.

Please advise if you have questions or need additional information.

Sincerely,

Ronnie Hall, P.E.
PROPOSAL FOR ARCHITECTURAL SERVICES

PROJECT: Concessions and Toilet Building for Conway Station Park

OWNER: City of Conway
Parks and Recreation Department
10 Lower Ridge Road
Conway, AR 72032

ARCHITECT: Sowell Architects, Inc.
1315 North Street, Suite 100
Conway, AR 72034

PROJECT:
The project consists of a supplemental concessions and toilet facility to be constructed adjacent to the maintenance building at the Conway Station Park in Conway Arkansas. The building design will be compatible with the maintenance building and will contain men’s and women’s restrooms (with two stalls in each) as well as a limited-scope concessions room with no commercial cooking equipment.

SCOPE OF SERVICES:
We propose to provide full architectural services as briefly described here:

- Programming – The programming phase consists of the gathering of information necessary to produce a design. This information is gathered through meetings between the owner and the architect.
- Schematic Design – The schematic design phase translates the programming information into a preliminary design. The phase concludes with an approved design and cost estimate. Presentation drawings including a site plan, floor plan and views of the building are provided. Three-dimensional computer modeling is also included in electronic and print format for the owner’s use.
- Construction Documents – The architect produces the technical drawings and specifications that are required to obtain bids and construct the project. Architectural, structural, plumbing, heating/cooling and electrical plans are included.
- Bidding – The architect provides assistance in the selection of qualified contractors to bid on the project or, if preferred, a contracting firm with which to negotiate a contract. The architect distributes plans, answers questions, manages the bidding process and receives, opens and analyzes the bids. This phase concludes with the execution of a construction contract.
- Construction – The architect serves as the client’s representative during construction. This includes periodic job site inspections to ensure the construction adheres to the plans and specifications,
review and approval of contractor pay requests, assistance in the selection of colors, meetings with the contractor and client as required and management of changes to the work. A final inspection is provided prior to occupancy.

FEE:
Compensation for full services as described above shall be based on a fixed fee of seven thousand five hundred dollars ($7,500).

REIMBURSABLE EXPENSES:
Reasonable and ordinary expenses associated with the project such as long distance phone calls, postage and automobile mileage are included in the fee and are not considered reimbursable expenses. All other expenses, including presentation costs, document printing, fees paid to governing authorities and document shipping will be considered reimbursable.

FEE PAYMENT SCHEDULE:
The fee will be invoiced as follows:

- Twenty five percent (25%) upon completion of the Schematic Design Phase.
- Fifty percent (50%) upon completion of the Construction Document Phase.
- Twenty five percent (25%) during construction.

If the project is terminated at any time prior to completion, payment shall be made for all services rendered up to the point of termination but there is no obligation to pay for services beyond that point that have not yet been rendered.

DRAWING AND MEDIA FORMAT:
The drawings and specifications will be electronically produced and kept on file in the office of the architect. Printed sets of documents will be provided to the owner as well as electronic files if desired.

OWNER RESPONSIBILITIES:
The owner shall render decisions in a timely manner, provide full information regarding the requirements of the project including a program which sets forth the owner’s objectives, participate in the orderly and sequential progress of the architect’s services, provide prompt notification to the architect if project is put on hold or terminated and pay for services up to that point.
ACCEPTANCE OF THIS PROPOSAL:
The above stated scope of work, fee, terms and conditions are satisfactory and hereby accepted.

A RESOLUTION AUTHORIZING THE PURCHASE OF MOBILE RADIOS FOR THE CONWAY FIRE DEPARTMENT
PRIOR TO THE SERIES 2012 BOND ISSUANCE; AND FOR OTHER PURPOSES.

WHEREAS, Conway Fire Department request approval to place an order with Motorola Solutions Inc. for the purchase of 147 radios (102 portable and 45 base mobiles) immediately to receive a cost savings benefit of $55,900; and

WHEREAS, The cost of radios is approximately $508,820, which will be funded by the Series 2012 Bond Issuance as previously approved by Council and;

WHEREAS, the Conway Fire Department request approval to order said radios based on the terms and condition in the agreement between the City of Conway and Motorola Solution, Inc. contract;

WHEREAS, Motorola Solution, Inc. radios are under state contract;

NOW THEREFORE BE IT RESOLVED that the City Council of the City of Conway, Arkansas that:

SECTION 1: That after Council approval of this resolution the City of Conway Fire Department shall place an order with Motorola Solutions Inc. and request shipment from Motorola Solutions Inc. once funding is available from the issuance of the Series 2012 Bonds.

SECTION 2: That this Resolution shall be in full force and effect from and after its passage and approval.

ADOPTED this 27th day of March, 2012.

Re: City of Conway Fire Dept Equipment Order

Chief Castleberry:

Please use this letter as authorization for the below payment and shipping terms if you were to proceed with the proposed equipment order to Motorola Solutions by March 30, 2012.

- Payment terms will be extended to Net 45 with invoice to be generated upon shipment of equipment;

- Shipment of equipment will be scheduled per a customer requested ship date no earlier than May 15th or a date as specified by the customer.

Please document the Net 45 day payment terms and requested ship date on the face of the Purchase Order upon issuance to Motorola.

AN ORDINANCE APPROPRIATING FUNDS & ACCEPTING BIDS FOR FLAME RESISTANT CLOTHING FOR THE CONWAY FIRE DEPARTMENT; AND FOR OTHER PURPOSES:

WHEREAS, Conway Fire Department requests an appropriation of $10,781 for flame resistant uniforms, 2012 budgeted funds will currently not cover the increased cost due to modified specifications of the uniforms; and

WHEREAS, the Conway Fire Department’s current contract with G&K Services has officially expired and;

WHEREAS, the Conway Fire Department Uniform Committee performed research on the current uniforms being worn and found current uniforms do not meet National Fire Protection Agency standards. Modified specifications will cause an increase in uniform expense that is not previously budgeted for in the approved 2012 budget;

WHEREAS, Bids were taken on March 16th, 2012 for flame resistant clothing and Cintas Uniforms was the only bid submitted.

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CONWAY, ARKANSAS THAT:

SECTION 1. The City of Conway shall appropriate $10,781 from the General Fund Balance Appropriation account (001.119.4900) into the Conway Fire Department Uniform Operating line item account (001.131.5670).

SECTION 2. The City of Conway shall accept bids from Cintas Uniforms to purchase NFPA approved flame resistant clothing for the City of Conway Fire Department.

SECTION 3. All ordinances in conflict herewith are repealed to the extent of the conflict.

PASSED this 27th day of March, 2012

MEMORANDUM

TO: Chief A.J. Gary

FROM: Lt. Laura Taylor

DATE: 03-21-12

SUBJECT: Policy Changes from 01/2011 - 02/2012

The following policies were added or amended from January 2011 through February 2012. Included is the policy number and the relationship to any CALEA Standard.

100-2 Organizational Structure- CALEA Standard 11.1.1 and 11.1.2- revised to show current organizational structure.

200-12 Accreditation- No CALEA standard impacted- language change under Nature and Scope.

200-16 Officer of the Year Award- CALEA Standard 26.1.2- revised to implement a new nomination process for Officer of the Year.

300-1 Administrative Inquiries/Citizen Complaints- no CALEA standard impacted- revised to add Administrative Inquiry Review Board and route complaints to OPR.

300-3 Training and Career Development- CALEA Standard 33.8.2- added a New Sergeant’s Orientation packet for newly promoted sergeant training.

300-4 Disciplinary System- no CALEA standard impacted- revised to add Administrative Inquiry Review Board.

300-8 Limited Duty- No CALEA standard impacted- revised to allow limited duty only for on duty injury or traumatic event.

300-11 Selection Process- CALEA Standard 32.1.6- disposition of records for all candidates not selected was changed to allow them to be disposed of after eligibility for hire has expired. Also the process for selection was revised to coincide with actual practice.

300-12 Performance Evaluation System- CALEA Standard 35.1.1(a)- definitions were added to revised Form 222. All the forms involved in the evaluation system were revised and a Reverse Evaluation was added- this did not impact a CALEA standard. The policy was revised to add the Reverse Evaluation. In addition, the policy was revised to change the language to read that written notification would be given to non-probationary employees in “timely manner” rather than 90 days prior to end of final reporting period when performance was unsatisfactory. This impacted CALEA Standard 35.1.6.

300-18 Recruitment- CALEA Standard 31.1.2- revised to add Annual Analysis of Recruitment Plan under 31.1.2(a) and revisions as needed under 31.2.2(b).

300-19 Worker’s Compensation- No CALEA Standard impacted- revised to give step by step instructions.
400-1 Uniform Apparel for Departmental Personnel- No CALEA standard impacted- Uniformed or Officer was changed to include all sworn and non-sworn who wear departmental issued uniform. Also policy was revised to allow officers to wear sunglasses during contact with civilians if there is an officer safety issue.

500-1 Property and Evidence Control- CALEA Standard 84.1.1(d) and (e)- policy revised to show that blood did not have to be refrigerated if collected in proper vial and all evidence to go to Crime Lab must be placed in cardboard box not paper sack.

700-2 Use of Force- No CALEA standard impacted- revised to have Lieutenant responsible for less lethal shotgun when sergeant not working.

700-3- Weapons and Ammunition- CALEA Standard 1.3.9- policy revised to include Patrol Rifle guidelines to include on duty storage (1.3.9f) and also storage of CPD owned shotguns. The Patrol Rifle Patrol Order from 2005 and the Patrol Shotgun Patrol Order from 2010 were incorporated into the policy. Definition of “duty weapon” was revised.

800-4 Honor Guard Funeral Detail- No CALEA Standard impacted- new policy.

800-34 Traffic Operations- CALEA Standards- 82.3.4 61.1.2,61.1.5,61.1.6, 61.1.11,61.2.1,61.2.4, 42.1.2- this policy had not been revised since 2006 so many items were revised. Throughout the policy accident was changed to collision. Major changes were done to included Hit and Run Investigations which would now be assigned to the Special Operations Team Traffic Unit. Attachment B was added that involved the Solvability Factor Rating for assigning the hit and run investigation.

800-48- Missing Children- 41.2.6(b)- policy revised to add notification of the Chief of Police, all CPD Majors and on-call CID.

800-49- Missing Persons- 41.2.5(a) and (e)- policy revised to add notification of the Chief of Police, all CPD Majors, and on-call CID.

Re: 2012 Disposals of Property

The attached listing details items to be removed from the fixed assets (inventory). I would like to request approval to remove these items from our inventory listing and to dispose of them. Vehicles will be sold for scrap or offered for sale through “as is” sealed bid auction or via auction on www.publicsurplus.com —whichever appears to provide the best price to the City.

Vehicles sold for scrap will also be cannibalized for whatever parts might be used by Fleet Maintenance, with documentation maintained by Fleet Maintenance for any salvaged parts with an estimated value of at least $500. Any vehicle sold for scrap will first be offered for training purposes to the Conway Fire Department.

Please advise if you have any questions.
