Re: Renewal Ranch Agreement

In mid-May of 2019, the Department of Sanitation implemented a litter abatement program consisting of resources from the department, the Adopt-A-Street program, and through an agreement with Renewal Ranch. Since that time, 50,400 pounds of litter have been removed from city streets, 7,130 pounds of which have been collected by Renewal Ranch.

Provided for consideration of the City Council is a new agreement with Renewal Ranch. Their service has assisted the city in its mission to beautify the city and remove rubbish and debris from our roadways. Staff recommends entering into the agreement with Renewal Ranch.

Please let me know if you have any questions or concerns regarding this recommendation.

AN ORDINANCE WAIVING THE REQUIREMENT TO OBTAIN COMPETITIVE BIDS FOR EQUIPMENT REPAIR,
DECLARING AN EMERGENCY, AND FOR OTHER PURPOSES

WHEREAS, a 2012 John Deere 950J dozer (asset #770), which is utilized by the landfill division of the Department of Sanitation to conduct business efficiently, in a timely manner, and to fully and adequately assist in and provide for the compacting of refuse and the spread of waste evenly over the landfill on behalf of the inhabitants and businesses of the City, experienced a catastrophic failure in major final drive components of the chassis;

WHEREAS, Stribling Equipment, LLC is a central Arkansas dealer for John Deere parts and service, is an approved City vendor, and can provide the necessary repair services to assist the landfill division in conducting and maintaining uninterrupted daily operations; and

WHEREAS, this matter represents an exceptional circumstance which renders the competitive bidding process impractical and unfeasible, because the type of repair requires the use of an authorized John Deere parts and service provider, and the use of the competitive bidding process would delay the completion of the repairs and therefore unnecessarily delay the return of the vehicle to service; and

WHEREAS, the Stribling Equipment, LLC’s quoted price for the repair of this equipment exceeds the amount that allows purchase without bids being taken.

NOW THEREFORE, BE IT ORDAINED AND ENACTED BY THE CITY COUNCIL OF THE CITY OF CONWAY, ARKANSAS THAT:

SECTION 1: The City of Conway, because the competitive bidding process is impractical and unfeasible due to exceptional circumstances, shall waive the conditions of competitive bidding, so that competitive bidding requirements are hereby waived, and the repairs to asset #770 for $41,436.18 from Stribling Equipment, LLC, are approved.

SECTION 2: This ordinance is necessary for the protection of the public peace, health and safety, and an emergency is hereby declared to exist, and this ordinance shall be in full force and effect from and after its passage and approval.

SECTION 3: All ordinances in conflict herewith are repealed to the extent of the conflict.
