## MEMORANDUM

**DATE:** November 29, 2016

**TO:** **Potential Bidders**

**FROM:** **Jason J. Ghidotti, PE**  
FTN Associates, Ltd.

**SUBJECT:** Conway Scrap Remediation Project, Bid Addendum No. 2  
FTN No. 04240-1233-001

---

Below is a summary of questions/comments and other revisions to the Contract Documents.

- 1) *There appears to be a discrepancy between the site plan on Figure 3.2 of the [Clean Up Plan included in the] specifications and sheets 1 and 2 of 3 in the [Bid Drawings] regarding the excavation depth and number of 30' grids that are to be excavated. Figure 3.2 shows 15 grids with the 1', 2' and 4' cuts. Sheets 1 and 2 show 12 grids with 2' and 6' cuts. Please clarify.*

Please bid based upon the excavation requirements provided in the Bid Drawings as it is more current than the *Clean Up Plan* attached to the Specifications.

- 2) *Is there a form for providing Bidder qualifications?*

There is not a form for Bidder qualifications. Please submit qualifications in your own format per the instructions in Section 00100 of the bid specs, Paragraph 3.1.
