Crafton annexation of ~30 acres located SE corner of East German and Lower Ridge Rd. ANN

Comprehensive Plan
Comprehensive Plan. Commercial and Traditional Neighborhood.

Projected Traffic Impact. Based on the proposed zoning, the traffic impact of the development would be minimal. The likely use of Tract 1 is for single-family residential though no subdivision plat has been submitted for review. Based solely on acreage, Tract 1 could generate up to 71 standard single-family lots which would likely generate approximately 670 vehicle trips per typical weekday. These trips would be distributed between Lower Ridge Rd and E German Ln.

Flood/Drainage. The site is not within any FEMA Flood Zones.

Utilities. Water and sewer service extensions will be required to support development. Applicant will need to coordinate with Conway Corporation.

Street Conditions. Lower Ridge Rd (Major Arterial) and E German Ln (Minor Arterial) are improved, though open-ditch, city-maintained streets. If subdivision occurs on any annexed property, the developer shall be responsible for road construction.

STAFF COMMENTS
1) The proposed property is primarily vacant land; Single-family residence accesses East German Ln.
2) A-1 and R-1 zoning is appropriate for the property in the area.
3) The applicant is requesting police protection, fire protection, street maintenance, and the ability to connect to Conway Corp Utilities.
4) The annexation request complies with the requirements of ordinance O-99-95 specifying procedures for annexations.

STAFF RECOMMENDATIONS
• Fire Department: Recommends Annexation
• Conway Corporation: Recommends Annexation
• Planning and Development Department: Recommends Annexation
• Transportation Department: Recommends Annexation

Staff recommends approval of this request. As proposed, the annexation would have limited impact on current city services offered in the area.
