Dear Mr. Banks:

I sincerely appreciate your willingness to consider a roundabout at the above referenced intersection. The City of Conway is committed to roadway safety and values your partnership in this effort. We understand that a roundabout will cost approximately \$1,000,000 more than a signal, and consider this to be a worthwhile investment.

If you have any question or concerns, please contact our City Engineer, Finley Vinson, at 501-513-3565 or finley.vinson@conwayarkansas.gov.

Sincerely,

Bart Castleberry
Mayor, City of Conway
