September 17, 2018

The Honorable Bart Castleberry
Mayor of Conway
1201 Oak Street
Conway, Arkansas 72032

Dear Mayor Castleberry:

Reference is made to your recent letter requesting assistance in installing a traffic signal at the intersection of Highway 64 and Hogan Lane in Conway. It will be necessary for our staff to perform a traffic operations study to determine if a signal is warranted.

You have further requested the Department to revisit a request from December 7, 2010, whereby the City was interested in upgrading the traffic signal located at Highway 365 and Robins Street.

Please note that you will be notified of the findings from the traffic study. Additionally, you will be provided an updated layout and cost estimate to upgrade the intersection and traffic signal located at Highway 365 and Robins Street.

Sincerely,

A handwritten signature in blue ink, appearing to read 'E. Banks'.

Emanuel Banks
Deputy Director and
Chief Engineer
