WHEREAS, the City of Conway, Arkansas, is a city of the First Class duly organized and existing as a municipal corporation under the laws of the State of Arkansas. The City of Conway ("the City") has its principal place of business within the borders of Faulkner County, Arkansas. Under Arkansas law, the City is empowered under Arkansas Code Annotated § 18-15-201, *et seq.*, and other statutory authority to condemn real property by eminent domain for the purposes of streets, parks, boulevards, and public buildings (among other lawful purposes); and

WHEREAS, as part of the planning, construction and maintenance of the City's right of way on Salem and Tyer streets ("the Project"), the City is in the process of planning and developing sufficiently wide and safe roads, streets, boulevards and necessary and proper rights of way within the statutory areas relative to the corporate limits of Conway as set out in A.C.A. § 18-15-201(a)(2), the City Council for the City of Conway has found and determined that it is necessary for public purposes to acquire the real properties described herein upon which to construct and maintain said roadway, street and utility easements. Being unable to reach an agreement and compromise as to the amount of just compensation to pay the landowner, it is now necessary for public purposes to acquire the real properties described herein upon which to construct and maintain said roadway and utility easements. Because the City has established a legitimate public purpose for said properties, it is empowered under ACA §18-15-201 to seek condemnation through eminent domain of the properties as described herein and to properly compensate the owners of said lands pursuant to state law; and

WHEREAS, to secure timely access to said real properties, it is necessary that eminent domain authority be declared, established, and exercised for the purpose of the construction, maintenance, and public use of the improved roadway, streets, boulevards, utilities, rights of way, and appropriate appurtenances developed thereto. As well and on behalf of the public, the City must continue ownership and control of the real property described herein, as necessary for the public purposes of continued maintenance, traffic control, safety, drainage and necessary and proper services throughout the affected areas and properties described herein.
