CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The Program Year 2022 was year two of the City of Conway's 5-year Consolidated Plan. Throughout 2022, the City of Conway's main initiatives and focus were to continue the improvement of community facilities and public services. In PY 2022 we continued the remodeling of the city's Overnight Emergency Shelter. The Overnight Emergency Shelter will be the first of its kind in the City of Conway and will drastically benefit our homeless population. In remodeling the Shelter, we received CARES Act funding that was geared toward this project, multiple Program Year funding, and we were able to leverage some city funding to help bring this project to fruition. We will continue to focus our efforts on the homeless community and our Overnight Emergency Shelter.

In addition to the Overnight Emergency Shelter, we were also able to continue our Public Service assistance with transportation. Transportation services efforts for the mentally and developmentally disabled, homeless, senior citizens, and after-school programs for children.

Highlights include:

Creating safe, and suitable living environments in low-to-moderate income areas as a goal by improving public park facilities. These improvements were addressed in the 5th Avenue Park Improvement project, which is in a low to moderate-income area.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Goal	Category	Source / Amount	Indicator	Unit of Measure	Expected – Strategic Plan	Actual – Strategic Plan	Percent Complete	Expected – Program Year	Actual – Program Year	Percent Complete
Administration	Administration	CDBG: \$	Other	Other		0		2	2	100.00%
Community Facilities	Homeless Non-Homeless Special Needs Non-Housing Community Development	CDBG: \$	Public Facility or Infrastructure Activities other than Low/Moderate Income Housing Benefit	Persons Assisted	80	0	0.00%	50	0	0.00%

Public Services	Homeless Non-Homeless Special Needs Non-Housing Community Development	CDBG: \$	Public service activities other than Low/Moderate Income Housing Benefit	Persons Assisted	0	359		359	449	100.00%
Public Services	Homeless Non-Homeless Special Needs Non-Housing Community Development	CDBG: \$	Other	Other	500	0	0.00%			

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

Federal CDBG funds were dedicated in the City of Conway to solve identified community challenges and meet priority needs. 2022 projects were selected to address needs and objectives in the 2021-2025 Consolidated Plan and 2022 Annual Action Plan:

1. Repair and maintain streets and sidewalks

- 2. Enhance the capacity of the City's drainage and stormwater runoff systems
- 3. Increase the supply of affordable suitable housing
- 4. Provision of additional community facilities and public services
- 5. Economic Development

65% of the 2022 funding was utilized to complete the remodeling of an L-shaped office building for the Overnight Emergency Shelter. We will continue to assess each year the use of public service funds. We continue to focus on the completion of the Overnight Emergency Shelter, Spruce Street Cottage development by Summerwood Inc. and continue to seek for opportunities to increase public services.

CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted). 91.520(a)

	CDBG
White	263
Black or African-American	177
Asian	6
American Indian or American Native	5
Native Hawaiian or Other Pacific Islander	0
Total	451
Hispanic	9
Not Hispanic	442

Table 2 – Table of assistance to racial and ethnic populations by source of funds

Narrative

The racial composition data above was estimated using information from agencies CDBG funded to provide public service. These numbers are also in accordance with the 2020 US Census profile for race and ethnicity. The City of Conway's population, according to the 2020 Census, consists of a 28% minority population. The profile breakdown of Race and Hispanic Origin according to the United States Census Bureau is as follows: 71.3% White, 17.9% African American, .2% American Indian & Native American, 1.9% Asian, 0.0% Native American/ Pacific Islander, 4.4% Hispanic or Latino and Two or More Races making up 3.6% with the African American population being the largest minority in the city of Conway. The composition table above indicates the 2021 CDBG program participants were as follows: 38.16% African American, 55.71% White, 4.73% bi-racial, and 1.39% were of another Ethnic minority.

CDBG outreach includes residents, housing providers, non-profit organizations, organizations serving the homeless, veterans, families, youth, special needs residents, private and public agencies, community leaders, business leaders, and organizations potentially discharging residents into homelessness.

Special emphasis is placed on efforts to reach low- to moderate-income households in target areas. The City of Conway facilitates collaborative efforts through meetings, presentations, neighborhoods, consultations, committee and community meetings, the Analysis of Impediments, and Continuum of Care meetings.

CR-15 - Resources and Investments 91.520(a)

Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	public - federal	\$481,835.00	\$457,806.00

Table 3 - Resources Made Available

Narrative

Project funding for the Overnight Emergency Shelter is included in PY 2022 funding which was used in PY 2022 to help complete the project.

Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
LMI Census tracts	80	80	Used for funding Public Services, and Community Facility Renovation (project is ongoing)

 Table 4 – Identify the geographic distribution and location of investments

Narrative

80% of CDBG funding was used towards funding Public Services, and Community Facility Renovation (project is ongoing).

Leveraging

Explain how federal funds leveraged additional resources (private, state, and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

The City of Conway's CDBG amount of funding received makes it challenging to leverage funding at times. However, in funding the renovations for the Overnight Emergency Shelter, which is in a low-income area, CDBG was able to leverage funding with the City of Conway to complete the renovations. CDBG continues to leverage its funding with nonprofits that provide transportation services for the mentally ill, disabled children and adults, and low-income children. The city will continue to make every effort to spend our dollars wisely.

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual
Number of Homeless households to be provided affordable housing units	0	0
Number of Non-Homeless households to be provided affordable housing units	12	11
Number of Special-Needs households to be provided affordable housing units	0	0
Total	0	0

Table 5 – Number of Households

	One-Year Goal	Actual
Number of households supported through		
Rental Assistance	0	0
Number of households supported through		
The Production of New Units	12	11
Number of households supported through		
Rehab of Existing Units	0	0
Number of households supported through		
Acquisition of Existing Units	0	0
Total	0	0

Table 6 – Number of Households Supported

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The City continues to strive for ways to add to our affordable housing needs. In 2022, the Annual Action Plan listed that the City of Conway will continue to focus on the Overnight Emergency Shelter, which renovations were ongoing into PY 2023. The Overnight Emergency Shelter will be located at 1116 Gum Street. The overall process began slowly due to structural concerns and supply change demands in receiving needed construction materials. However, our contractors have worked well despite the challenges, and the shelter construction is moving along well close to completion.

Due to limited public transit, transportation remains a priority for the City of Conway's use of CDBG funding.

We are continuing to work on revitalizing the Pine Street Neighborhood, but no CDBG funding has been allocated towards this project since 2017. At this point, the private developer, Summerwood Development Inc., has completed 11 owner-occupied homes, and 6 of the homeowners have utilized Down Payment Assistance provided by the city through CDBG funding.

Since the start of 2021, the pandemic has slowed construction due to the challenges in obtaining building materials. The private developer has done a great job at adjusting and keeping the projects moving. We currently have eleven owner-occupied homes and one home currently under construction. We are anticipating the completion of this project by Spring 2024.

Discuss how these outcomes will impact future annual action plans.

In the future, we will refocus our funding utilization back to homelessness. We received additional CARES Act funding in 2020, however, the funding was utilized in an amendment for our 2019 Annual Action Plan, rather than 2020. In 2022, we continued funding our Overnight Emergency Shelter and are anticipating the continuation of the remodel of the property located at 1116 Gum Street by the end of Winter 2023. We will be able to provide more insight and updates on the Overnight Emergency Shelter in the 2023 CAPER.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Households Served	CDBG Actual	HOME Actual
Extremely Low-income	242	0
Low-income	175	0
Moderate-income	26	0
Total	443	0

Table 7 – Number of Households Served

Narrative Information

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City of Conway's CDBG Program is actively involved in the Toad Suck Coalition Continuum of Care. Conway is located in Faulkner County, Arkansas. The area was formerly paired with Conway and Perry Counties to form the Toad Suck Continuum of Care. When the state consolidated continuums between 2010 and now, Toad Suck became part of the larger Balance of State Continuum. The Balance of State Continuum members include Faulkner, Perry, and Conway County non-profit entities who still meet monthly to address various social needs such as affordable housing, homelessness, and special needs populations. The Toad Suck Coalition meets monthly as well. These meetings are very beneficial, and the various agencies that are involved in both the Toad Suck Coalition and the Balance of State continuum, all serve the different needs that vary in the homeless community. The CDBG Administrator and CDBG Coordinator participate in the Toad Such Continuum of Care and the Balance of State meetings monthly to stay aware of current needs within our community.

Addressing the emergency shelter and transitional housing needs of homeless persons

Conway is very fortunate to have four organizations in the city that provide supportive housing for all of Faulkner County. Bethlehem House is a true transitional housing shelter that provides for the needs of the homeless in Conway. The Rise House is Conway's only women's shelter that provides supportive housing to women and children who are in abusive environments. The City of Hope Outreach supports two LMI mobile home parks and provides emergency shelter for two singles at a time. The Ministry Center also provides services for the homeless population and assists individuals directly impacted by homelessness and low incomes. In addition to these housing agencies, the Community Action Program of Central Arkansas assists the homeless through Project Homeless Connect and utility assistance.

A yearly point-in-time count is completed for all the facilities in order to keep up with the number of homeless being served in the three county areas. In 2019, CDBG purchased a vacant building and a neighboring home. Since the purchase of this building, there has been a full renovation to bring the City's first Overnight Emergency Shelter online. This project is estimated to be completed in the winter of 2023. We used the additional allocation that we received from the CARES Act funding to fund expenses related

to the Overnight Emergency Shelter. We plan on using the project funding received for 2022 and 2023 as additional funding for the shelter.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The City of Conway, at this current time, is not an agency that can fully address the needs. However, the city does provide support and CDBG funding to assist agencies in helping make the transition to permanent housing and independent living much easier and to prevent these individuals and families from becoming homeless again.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again.

The city is still planning future collaborations with other local businesses to participate in the "work local" program. We believe that creating these opportunities will allow those who are struggling with having consistent housing to transition to more permanent housing and prevent them from becoming homeless again. In addition to employment opportunities.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

Conway Housing Authority provides 92 units of low-income public housing for families, the elderly, and persons with disabilities. 300 families receive assistance with rent through the Section 8 Rental Assistance Program, where a family finds a dwelling unit that meets local and federal guidelines. There are 112 apartments available for elderly persons 62 years of age and older or disabled. There is a waiting list for these programs. Rent is based on 30% of their adjusted income. Eligibility: low-income family, elderly or disabled. Verification is required for eligibility. In 2020 the city also completed an Analysis of Impediments to identify areas of need in housing.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The city is in the process of working with a private developer to build 12 cottage homes. Currently, 11 homes have been constructed and are occupied, and 1 is currently under construction. Covid-19 has delayed the project some, however, 6 of the 11 owner-occupied homes owners were eligible for the homebuyer subsidy program offered by the city through CDBG. Seven of the 12 cottage homes will participate in the homeownership subsidies that will allow the buyers to receive assistance for fees and the down payments associated with purchasing a home. The income eligibility is to be based on the latest HUD income limits for low to moderate-income persons based on family size.

Actions taken to provide assistance to troubled PHAs

Conway Housing Authority is not designated as troubled.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The City of Conway is committed to establishing and maintaining facilitative relationships with organizations and institutions that are service providers in an attempt to lessen the gaps in the institutional structure. Non-profit, private, and public entities are encouraged to provide housing opportunities. The City of Conway will continue to engage in and support collaborative efforts combining local government, non-profit organizations, and private section enterprises and resources to low- and moderate-income residents. The City will preserve and protect existing housing units to stabilize neighborhoods and enhance property values.

The City of Conway Housing Authority has an excellent relationship with the Mayor, the CDBG Administrator, and the City Council. The City of Conway City Council approves all Conway Housing Authority Commissioners, and the City assists the Housing Authority in every way possible. Over the past 10 years, the city has targeted the Pine Street Neighborhood for redevelopment. This historical African-American neighborhood sits in the heart of the city near downtown. Pine Street's demographics show a high percentage of rental homes, a less educated population with higher poverty rates than the rest of the city. The housing stock within the neighborhood is also smaller and older than the areas nearby it.

In 2019, the city partnered with a private developer to complete Old Conway Village. The developers received a low-income housing tax credit which allowed renters to buy their home after 15 years. In doing this in other cities, they reported that they have observed that tenants tend to take better care of their homes and treat them as though they are already homeowners. This leads to better quality renters, increasing the quality of the neighborhood and, in turn eliminating the negative effects that can come with affordable housing.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

All funding went to serve low to moderate-income individuals. Public Services, namely transportation, also constitute a significant portion of spending for 2022.

The city also understands that transportation is more of an obligation to the low to moderate-income citizens than other services and fulfills these needs first. The subgrantees providing transportation with CDBG funding cater to abused women and children, disabled adults, and low to moderate-income children

for after-school care. The purchase and completion of the Overnight Emergency Shelter allows the city to shift its focus to the homeless population, a severely underserved population.

It is our hope that this shelter allows those who are homeless to receive safe shelter, case management, and eventually transition back into a stable lifestyle.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

CAPCA housing staff has all been certified on lead paint rules. Through CAPCA, our strategy for addressing:

lead-based paint in home rehabilitation includes:

- Education of Household members
- Incorporation of lead-based paint regulations in contracts
- No lead-based paint to be used in new construction or rehab.
- All structures built before 1978 are assumed to involve lead-based paint.
- All surfaces are required to be covered with materials such as hardboard, plywood, drywall, or plaster before any repair or repainting.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

Economic development and expanding opportunity throughout the community are clear priorities for the City of Conway. The city utilized the city Strategic Plan that was created for 2021 and the Chamber of Commerce's 2035 Strategic Plan. Both plans include strategies that build on the city's economic infrastructure and promote job growth and vitality throughout the community.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The City of Conway is committed to establishing and maintaining facilitative relationships with organizations and institutions who are service providers in an attempt to lessen the gaps in the institutional structure. Non-profit, private, and public entities are encouraged to provide housing opportunities.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

Old Conway Village was completed in the summer of 2019. It was well received by the Conway community, and the homes have remained full since the opening. In addition to Old Conway Village, Summerwood Inc. is still in the process of developing 12 cottage homes on Spruce Street in the Pine Street Neighborhood. Eleven of the twelve homes are complete and owner-occupied. Six buyers qualified for the down payment assistance program. The final home is currently being built.

The city has partnered with private developers with experience in developing other private areas in neighboring cities and using Low-income housing tax credits. Although the homes are not considered public housing, the homes include subsidies that will assist in reducing the cost and making them more affordable, and the renter will have the opportunity to purchase the home at a lower expense after fifteen years. Both private developers developed housing and units that are affordable and reach our low to moderate-income population.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

One of the impediments identified in the analysis of impediments to fair housing is the disproportionately high home purchase loan denial rates that exist for racial and ethnic minorities. With one of our focuses being on the Pine Street Revitalization--an area that is predominantly African American, the city is building homes in that area that are affordable and have a path to homeownership.

With this path, low to moderate-income renters in that area will be able to eventually own their homes without being denied loans, ideally decreasing the amount of racial and ethnic minorities that are denied loans.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

The Grantee takes an active role in all non-public service projects, performing onsite visits throughout execution. If the Grantee does not directly oversee the project, onsite monitoring is conducted at least once per year. The CDBG administrator and the CDBG coordinator complete weekly site visits and take photos of both developments. While the townhomes were being constructed, weekly site visits and communication with the developers were a high priority. the same process is being followed for the cottage homes and the Overnight Emergency Shelter renovations. All subrecipients are required to enter into an agreement with the city that states all expectations and guidelines of the grant funding. Subrecipients attend a post-award meeting after notice of funding to review said agreement and answer any questions. Monitoring reviews of the subrecipient are also completed each fiscal year. This allows the CDBG administrator to directly assess the implementation of the grant and ensure that HUD income requirements are being met. The CDBG administrator also attends agency board meetings as an additional observation measure. Transportation is a major need in Conway, as identified by several studies, including a health care assessment by Conway Regional Medical Center and a needs assessment by the United Way of Central Arkansas. The Conway City Council expressed an interest in providing transportation as a priority. In working with Rock Region Metro, the City was able to provide transit service however, the need for transportation still remains elevated. Transportation programs funded by Conway CDBG benefit abused women and children, developmentally disabled adults, and an after-school program.

Transportation programs dramatically affect our community in that at-risk populations are provided a better quality of life through CDBG funded programs. High-risk children now have tutoring, mentorship, and after-school sports activities rather than being home alone. Senior Citizens are able to remain in their homes for years with an enhanced quality of life rather than relying on assisted living or a nursing facility. Disabled adults are able to find and maintain employment. Subrecipients are given an estimate as to when funding will be available during pre-application training. All subrecipients are made aware that funding will only be reimbursed for money spent after signing the contract agreements. The city will continue improving the monitoring process and keep documentation of correspondence with subrecipients and monitoring details.

On-site monitoring is something that the CDBG Administrator completed with all agencies in the 2022 program year.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

The CAPER planning document for 2022 was posted online at Community Development | City of Conway, Arkansas (conwayarkansas.gov). The Consolidated Annual Performance Evaluation Report notice was published in the local newspaper on Thursday, September 14, 2023.

There was also a 15-day comment period prior to the submission of the CAPER, allowing citizens the opportunity to voice any questions or concerns that they have about the 2022 CAPER. This information was submitted to the local newspaper and on the City's website. The comment period was open from September 14, 2023 - September 28, 2023.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The City of Conway CDBG program did not modify program objectives for PY 2022. The goal of renovations for the Overnight Emergency Shelter has not waivered and it is anticipated that this project will be completed in the of PY2023.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

NOTICE OF COMMENT PERIOD

CAPER (Consolidated Annual Performance Evaluation Report)

Thursday, September 14, 2023 - Thursday, September 28, 2023

Notice is hereby given that in accordance with 24 CFR 91 of HUD, the City of Conway has opened a 15-day public comment period on the draft 2022 Consolidated Annual Performance and Evaluation Report (CAPER). The 2022 CAPER draft is available online on the City's website on September 8th, 2023 at https://conwayarkansas.gov/cdbg/.

The Consolidated Annual Performance Evaluation Report (CAPER) is an overall review of the City of Conway's housing and community development activities. undertaken in 2022. It is part of the Consolidated Planning process, which is a prerequisite to receiving federal HUD funds. The CAPER delineates the amount of Federal funding that is distributed through the program, where that money is spent, and it assesses how that spending addresses the housing and community development goals that the City of Conway has outlined in its Consolidated Plan. In 2022, the CDBG program received \$481,835 for development and public service activities.

The City of Conway is in the third year of a five-year Consolidated Plan. The Consolidated Plan (2021-2025), Analysis of Impediments, and the 2021 CAPER Report are available online at https://conwayarkansas.gov/cdbg/.

The deadline for considering written comments is Thursday, September 28, 2023. Comments should be addressed to Shawanna Rodgers at 1111 Main Street, Suite 102, Conway, AR 72032, or e-mailed to cdbg@conwayarkansas.gov. A summary of comments will be submitted to HUD.

Non-English Speaking residents with Limited English Proficiency (LEP) and citizens with speech, sight or hearing impairments who wish to review or comment on the Draft CAPER 2022 should contact Shawanna Rodgers, CDBG Administrator, 1111 Main Street, Suite 102, Conway, AR 72032, 501.450.6100, (Voice/TTY 711) or the following email address: cdbg@conwayarkansas.gov. If you need a hard copy of the Draft CAPER 2022, please call the number above.

The City of Conway is an Equal Opportunity Employer and does not discriminate on the basis of race, color, religion, sex, national origin, marital or veteran status, disability status or other legally protected statuses.

Each request will be considered individually according to the type of assistance required, the availability of resources, and the financial ability of the City to provide accommodations.

This year, CDBG was able to assist Faulkner County Council on Aging with funding for transportation for 154 persons--all LMI senior citizens. The centers numbers have began to expand again now that we are in an Endemic as it relates to COVID-19.

PR03 - CONWAY
